MEETING DATE: September 3, 2024

FROM: Teri Lea Beiriger, Director of Finance

SUBJECT: Ord. No. 2024-20 Amend the Defined Contribution Retirement Plan

BACKGROUND

The Retirement Plan and Trust for the General Employees of the City was established on January 1, 1996, as set forth in Section 10-149 of the City Code to include the Plan and Trust components of 401(a) Defined Contribution Plan and 457(b). Plan was re-established on October 1, 2001, Ordinance 2001-02, adding investment policy (exhibit E) and re-established on January 19, 2016, Ordinance 2016-09, to provide for 100% vesting of employer contribution for those in the bargaining unit regardless of the year of service.

ANALYSIS

The Retirement Plan and Trust for the General Employees non-elective contributions has not been adjusted since the establishment of the plan in 1996. In order for the City to be a competitive employer and retain employees, the staff is recommending increasing the employer contribution from 5% to 7.5%. This does not affect the 2.5% match which the City will provide if the employee contributes up to 2.5%. With the City's 2.5% the employee has the benefit of receiving 10% into the 401(a) plan. Several neighboring cities 401(a) pension plans were reviewed.

401(a) Plan				
Municipality	Employer Contribution	Match	Vested	Eligibility
Greenacres Lake Park Lantana North Palm Beach West Palm Beach	5% 7.50% 7.00% 15% 6.5% / 7.5%	2.50% 2% 2.50%	6 years 5 years graded 5 years cliff 5 years graded immediate	6 months 1 year 90 days immediate 6 months

Along with the increase in employer contribution, Ordinance 2024-20 allows for terminated unvested employees who are re-hired within the quarter of the term date to keep their forfeiture funds invested in the plan.

FINANCIAL INFORMATION

The difference in from 5% to 7.5% could be little over \$175,000. This is an estimate assuming all employees are vested.

LEGAL

The resolution has been prepared in accordance with the City Code Requirements.

STAFF RECOMMENDATION
