GIS

BTR/Fire/Finance Fees Map/Database

Map all active/inactive BTR licenses to create a citywide database that will combine to show active fees for fire inspections and BTRs. This effort attempts to provide a workaround for Fire, Finance and Business Tax to query and record all fees attached to BTRs. The goal is to use GIS as a central database that can be used in the field for fire inspections and in house by Finance staff.

Hurricane Map Preparation

Updated maps and roadway atlas with new streets and city boundary data.

Finance Asset Management

Assist the Finance Department with the mapping of all major and minor assets. This effort provides spatial visualization of all assets and database for quick access. The purpose is to assist with FEMA and insurance reimbursement.
