**MEETING DATE:** January 5, 2026

**FROM:** Denise Malone, AICP, Development and Neighborhood Services Director

**SUBJECT:** **Ordinance 2025-14 – ZTA-25-06 – Second Reading**  
**Reasonable Accommodations**

### BACKGROUND

The City-initiated request for a Zoning Text Amendment (ZTA) to Chapter 16 establishes a process and procedures for the review and approval of reasonable accommodation requests, including those for certified recovery residences, in accordance with State Law.

In 2025, the Florida Legislature amended Section 397.487, Florida Statutes, requiring local governments to adopt an ordinance to establish a process and procedures for applicants seeking reasonable accommodations from land use regulations for certified recovery residences. The statute requires a 30-day completeness review of applications, a 60-day timeframe to issue a final written determination once an application is deemed complete, a deemed-approved provision if no timely decision is issued, and also limits public hearings to the minimum necessary to grant the accommodation. The proposed amendment incorporates these statutory requirements into the City's Code.

The Development Review Committee has reviewed this proposed amendment and recommended approval, followed by the Planning and Zoning Board, which recommended approval to the Council by a vote of 5-0 at their meeting on November 13, 2025. The City Council voted five (5) to zero (0) to approve Ordinance No. 2025-14 on First Reading at its December 1, 2025, meeting.

### ANALYSIS

The proposed amendment is consistent with the requirements of the State Statute, the Fair Housing Amendments Act (FHA), and the Americans with Disabilities Act (ADA) to ensure equal housing for persons with disabilities. The amendment simplifies administration, protects the City from potential liability, and strengthens consistency in how the City manages reasonable accommodation requests, ensuring alignment with Section 397.487, Florida Statutes.
