

**Comprehensive Plan Amendment
Community Input Meetings held on October 26, 2022
and October 29, 2022 at the Community Center**

Housing

- More walkability
- More affordable housing – higher density okay, tiny houses
- Supportive of Mixed-Use developments

Transportation

- More walkability
- More shade and covers for Bus Shelters
- Better traffic signal coordination, circulation, and safe crossing
- Add a City trolley
- Traffic Concerns
- Would like pedestrian bridge over dangerous streets
- More traffic calming in original section

Conservation

- More greening of City – landscaping, solar power, electric vehicles
- Underground all utilities
- Increase trees that line the streets
- More greening in the City
- Aesthetics of City very important
- More promotion of maintenance of private residential property – cars parking all over the place
- More promotion on picking up litter- maybe a campaign or promote Earth Day

Rec & Open Space

- Gear recreational opportunities towards City demographics – more monthly cultural events
- Would like a “farm” professional team to practice in City with need for hotel
- More food truck opportunities
- More accessibility in parks – handicapped, mature adults
- Would like Community Center to become a haunted house at Halloween
- Need a Parks Master Plan – engage community where parks are
- Would like to have return of City parade

- Promote green market
- Likes youth programs
- Add dog park

Eco Development

- More support for small and local businesses – local preference
- More mom-and-pop stores
- Add a City trolley
- More retail – vacant stores
- Supportive of Mixed-Use developments
- Add Book store
- Redevelopment of areas with something unique that draws people - placemaking
- Would like a downtown – original section or newly annexed shopping center
- Would like a hotel
- More advertisement of existing businesses

Image

- Concern with population displacement – gentrification
- Improve safety – concerned with house break-ins
- Appreciate the connection to the community with City outreach programs – brochures, hurricane information
- Would like more neighborhood notifications
- Like the utility box wraps
- City to be known for schools – scores, grades, and ratings
- Maintain and improve diversity
- Loves the location of Greenacres – should tout – close to airport, I95 and Turnpike

Infrastructure

- Add dog park
