**SUBJECT:** Resolution 2025-10 Interlocal Agreement with Palm Beach County for Fuel Tax Distribution

---

### BACKGROUND

In 1995 Palm Beach County re-levied the six (6) cent local option fuel tax for a 30-year term. At that time the county entered into Interlocal Agreements with various municipalities representing a majority of the population of the incorporated areas within the County. The Interlocal Agreement establishes the distribution formula for dividing the entire proceeds of the tax amongst the County and all eligible municipalities.

### ANALYSIS

The agreement must be re-adopted by August 31, 2025, for the county and all eligible municipalities to continue to receive the local option fuel tax. Representatives from the county and various municipalities, utilizing the Palm Beach County league of Cities, have met and negotiated mutually acceptable terms and conditions for the Interlocal Agreement and the fuel tax distribution.
