

ITEM SUMMARY

MEETING DATE: April 3, 2023

FROM: Teri Lea Beiriger, Director of Finance

SUBJECT: Resolution No. 2023-10 Safe Street for All (SS4A)

BACKGROUND

The Bipartisan Infrastructure Law (BIL) established the new Safe Streets and Roads for All (SS4A) discretionary program with the \$5 billion in appropriated funds over the next 5 years. The SS4A program supports the National Roadway Safety Strategy and Department's goal of zero deaths and serious injuries on our nation's roads.

Section 24112 of the infrastructure Investments and Jobs Act (pub. L. 117-58, November 15, 2021; referred to as the Bipartisan Infrastructure Law (BIL) authorized and appropriated \$1 billion to be awarded by the Department of Transportation for FY2022 for the SS4A grant program. This notice of funding solicits applications for activities to be funded under the SS4A grant program.

ANALYSIS

The 2022 Safe Streets and Roads for All Grant will provide funding to develop a comprehensive well-defined strategy that promotes safety, and prevents vehicle and pedestrian roadway fatalities and serious injuries. This will be achieved through planning, and data analysis to identify target areas of need and create policies that promote safe speeds, provide for accessible corridor improvement, safe routes to school and addresses underserved areas of the City that rely on public transportation and safe bicycle and pedestrian routes.

FINANCIAL INFORMATION

The City proposes to accept Safe Street for All funds in the amount of \$150,000. This is a matching grant with the City providing for \$50,000 of the \$200,000 project amount.

LEGAL

Resolution 2022-26 has been prepared in accordance with all applicable Florida State Statutes and City regulations.

STAFF RECOMMENDATION

Approval of Resolution 2023-10 authorizing the acceptance of Safe Street for All (SS4) funds.
