

Property Enhancement Grant Program

Presented by:

Aileen Hernandez, Public Works Specialist

Community Enhancement Outcome

As part of the eligibility requirements for the Property Enhancement Grant Program, the proposed project must enhance the aesthetics and visual appeal of any side of a residence or commercial building that is clearly visible from a public street.

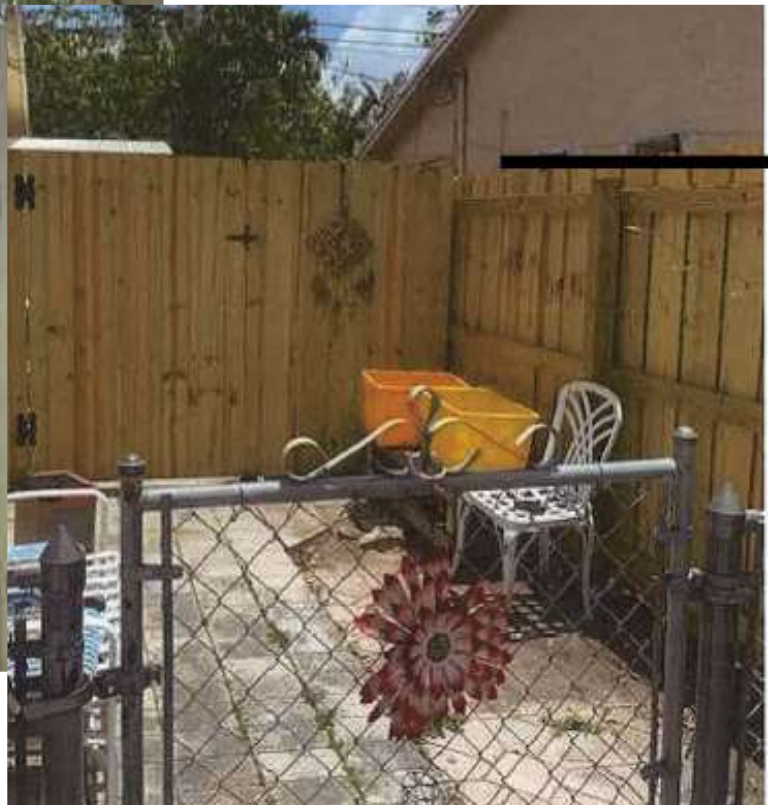

The program has accomplished what it was intended to do. It has **Engaged** and **Encouraged** property owners to rehabilitate the physical appearance and value of their properties.

- As of today, the city has funded a total of \$51,687 for the 2023 awarded projects. Ten (10) properties are still pending completion which will bring the final funded amount to \$95,392.
- Residents and businesses in the community will have spent a combined total of \$261,904.
