

## ITEM SUMMARY

**MEETING DATE:** March 1, 2022

**FROM:** Andrea McCue, City Manager

**SUBJECT:** Resolution 2022-13 Interlocal Agreement Governing Use of Palm Beach County Regional Opioid Settlement Funds

---

### BACKGROUND

The City of Greenacres has previously approved a Memorandum of Understanding ("MOU") with the State of Florida governing the distribution of proceeds from settlements of litigation with various manufacturers and distributors of Opioids. The MOU allocates the settlement proceeds among three funds: the City/County fund; the Regional Fund; and the State. The City will receive direct payment of its share of the City/County fund, which will not be affected by the proposed Interlocal Agreement with Palm Beach County ("ILA").

---

### ANALYSIS

The ILA concerns the distribution of the Palm Beach County Regional fund. Under the MOU with the State, the Regional funds will be allocated to the Southeast Florida Behavioral Network, Inc., to be expended within Palm Beach County for abatement of the effects of the Opioid Epidemic, unless Palm Beach County is deemed a "Qualified County" to receive and expend the Regional funds. To become a Qualified County, Palm Beach County must enter into an agreement with municipalities whose aggregate populations total more than 50% of the municipal population in the county. In that event, the County will be entitled to receive and expend the Regional Funds for abatement activities within the County.
