**SUBJECT:** **Ordinance 2023-07, ZC-23-01**  
Zoning Change for 6645 Chickasaw Road

---

### BACKGROUND

Cotleur & Hearing, agent for MF Associates Greenacres LLC. to approve a zoning change request from the Residential Medium -2 (RM-2) to a Residential High (RH). The site is located at 6645 Chickasaw Road.

A request by the property owner for a change in the zoning designation (ZC-23-01) for a 4.993-acre parcel from City Residential Medium 2 (RM-2) to City Residential High (RH). The parcel fronting Chickasaw Road is currently vacant. A concurrent application for a Future Land Use designation change is also requested to allow a Future Land Use designation change from Residential Medium to Residential High.

The Development Review Committee has reviewed these text amendments and is recommending approval, followed by the Planning and Zoning Board of Appeals recommending approval by a vote of 5-0 at their meeting on May 11, 2023.

---

### ANALYSIS

Staff has determined that the proposed Residential High (RH) zoning district is consistent with the existing land use pattern in the area. The subject property is bound by residential uses to the east, west, south, and north. To the west and north are multi-family complexes which are similar to the proposed project. Although to the south and east are single family residences, the subject property will be developed to ensure there is minimal impact upon these properties.
