Use: Industrial

EAST: **FLU:** MURP, Conservation (County)
Z: M-2 Industrial, Agriculture (County)
Use: Undeveloped

WEST: **FLU:** Industrial (County)
Z: Light Industrial (County)
Use: First Coast Expressway

BACKGROUND

PROPERTY DESCRIPTION:

The applicant, Mark H Scruby, Esq, of Rogers Tower PA, has submitted an annexation request for 28.81 acres to annex the subject property into City limits. The property is contiguous to the current municipal boundary, as shown on the following aerial map. The property is bounded by US 17 to the north and CR 209 S on its eastern edge, and is across CR 209 from the city boundary, predominantly Reynolds Park. The site is undeveloped.

The site is located within the City’s Water, Sewer, and Electric Service Boundaries. It will be served by the City’s utilities and sanitation services.

Additionally, the applicant has submitted the following annexation and future land use amendment requests:

| Application # | Description |
|---------------|---|
| AX-22-003 | Voluntary Annexation application |
| FLUS-23-002 | Small Scale FLU Map Amendment: Industrial (County) to Mixed Use (City) |

Compatibility

The Subject Property is located adjacent to an Industrial Zoning District to the east with a mix use Land Use designation and the zoning to the north has been approved for a PUD for the development of multifamily residential, which is currently being appealed by a tenant (Pegasus) in the Clay Port, Inc. property. The existing zoning of Light Industrial (County) will need to be rezoned upon annexation into the City Limits and adoption of a City Future Land Use designation. The completion of the First Coast Expressway will have an impact on the Land Use pattern of the area particularly in terms of driving additional commercial, retail and lodging uses around the interchange. The C-2 General Business Zoning district is predominantly a commercial Land Use Designation but also allows for Light Industrial which is compatible with the surrounding Industrial County Land Use Designations. The C-2 Zoning is compatible with the proposed Mixed Use Land Use District as set forth in City Code Section 117-3.

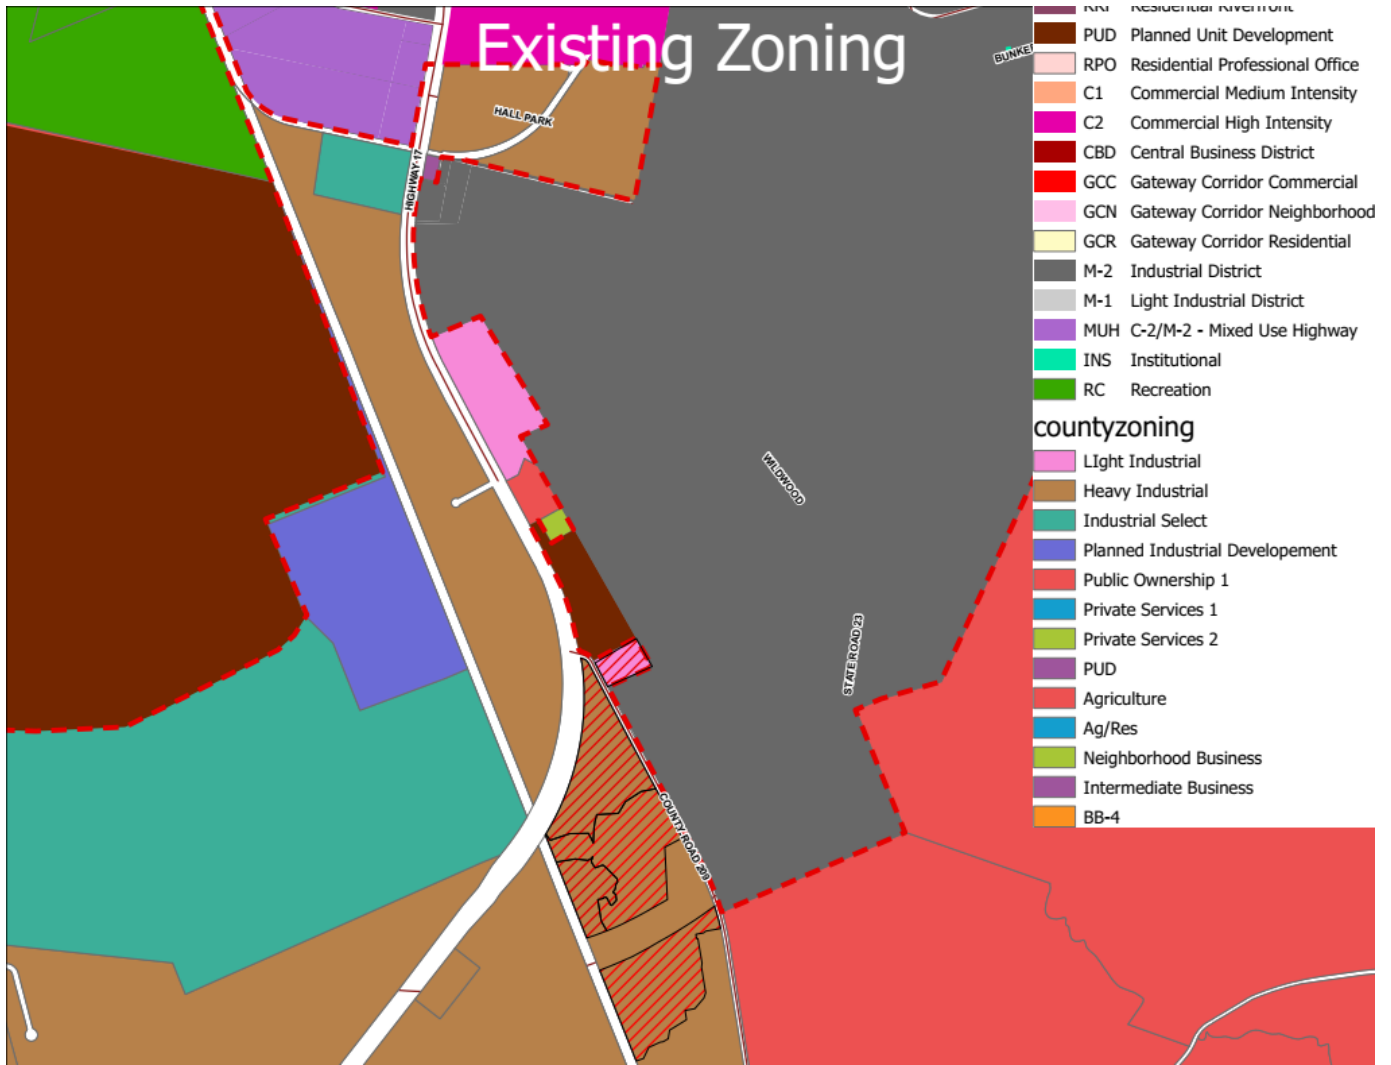

Intent of Existing Zoning District

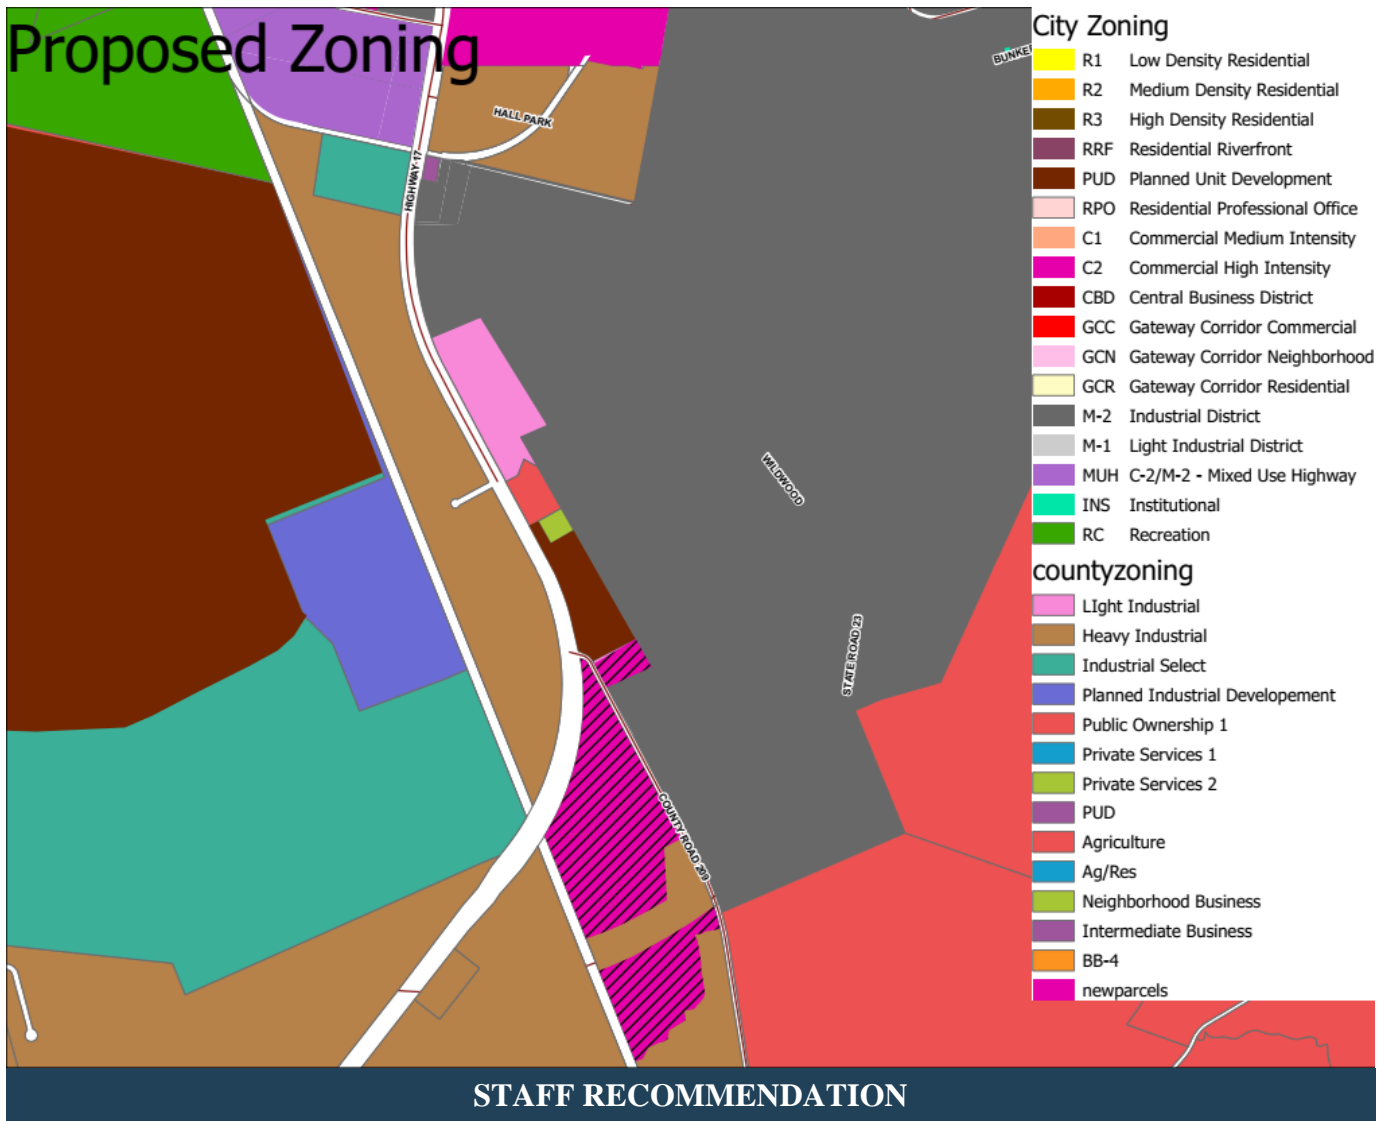

Heavy Industrial (County)

All land designated as Zone IB is subject to the regulations of this Section and Sec. 20.3-10. Such areas are established in order to provide adequate areas for activities of a heavy industrial nature. A site plan conforming to the requirements of this chapter shall be submitted to the Planning and Zoning Department for administrative review and approval prior to obtaining a building permit for all uses within this District.

Intent of Proposed Zoning District

The commercial high intensity (CHI), C-2 general commercial zoning category district is intended for intensive commercial uses which generally require a conspicuous and accessible location convenient to streets carrying large volumes of traffic.

Staff recommends approval of the Rezoning request to C-2, General Business.

RECOMMENDED MOTIONS:

Rezoning

Motion to recommend to City Council the approval of Ordinance O-06-2023, to amend the Zoning of the property described therein from Heavy (County) to C-2, General Commercial.
