Hi Lyndie,

I am so sorry. I thought we requested waiver of the fees on our initial application, but must have forgotten. We respectfully request waiver of the associated fees.

The Village Improvement Association is a not-for-profit. Our goal for this event is to provide this event for children and their families free of charge so all may participate. All vendors and participants are donating their time, and anything we provide that would typically have a cost, has been supported by grants and donations.

We do not have any bounce houses or water slides!

Thank you,

Hi Kara,

We have reviewed the site plan. It looks like the rental fees will be \$150/3 hrs plus \$100 refundable cleaning deposit along with the \$50 permit fee.

If there is a request for a waiver of the fees, I need that in writing (email is fine) and it will most likely need to go to Council on June 17<sup>th</sup>.

Also, you won't have any bounce houses or water slides, will you?
