## CITY OF GREEN COVE SPRINGS, FLORIDA

---

**TO:** Regular Session

**MEETING DATE:** October 15, 2024

**FROM:** E.J. Guzman, Chief of Police

**SUBJECT:** City Council approval of three new Police Vehicles and to surplus three vehicles that have outlived their useful life. *Chief Guzman*

### BACKGROUND

Approved in the Police Department budget were three 2025 Ford Interceptor Patrol SUVs, including all necessary equipment, at a cost of \$68,360 each (totaling \$205,050).

We would like to revise this to purchase two Ford Interceptor SUVs and one Ford Responder patrol pickup truck, resulting in an increase of \$5,406.

To help cover the difference, we will surplus three older Chevy Impalas, which have outlived their useful, which should generate \$9,000 to \$10,000 for the City.

The three vehicles to surplus are: 143 146, and 147.

### FISCAL IMPACT

Funds will be taken from the 2024/2025 CIP.

### RECOMMENDATION

Approve three new Police Vehicles and surplus three vehicles that have outlived their useful life.
