## CITY OF GREEN COVE SPRINGS, FLORIDA

---

**TO:** City Council Regular Session **MEETING DATE:** September 2, 2025  
**FROM:** Scott Schultz, Asst. Water Utilities Director  
**SUBJECT:** City Council approval to purchase two new high service pumps for the Reynolds Water Treatment Plant in the amount of \$35,376.00 from Barney's Pumps. *Scott Schultz*

### BACKGROUND

The capital improvement project for rehabilitation of the Reynolds Water Treatment Plant has been "pushed out" to later fiscal years for budgetary and strategic reasons. In order to delay the improvements, the existing high service pumps need to be replaced.

Barney's Pumps is the manufacturers sole source in our service territory for the replacement pumps

### FISCAL IMPACT

\$35,376.00 from the Water Capital Improvement Program Budget

### RECOMMENDATION

Approve the purchase of two new high service pumps for the Reynolds Water Treatment Plant in the amount of \$35,376.00 from Barney's Pumps
