Thanks for the bronze plaque inquiry, Gabriel.

I've attached a sample historic bronze plaque which includes an etched photo of the building.

Your cost for a 24" X 24" bronze plaque including an etched photo of the building and shipping is \$2,295.00.

If you buy 3 or more, the price is \$2,125.00.

If you have text and a photo for one of the plaques, email it to me and we'll have a proof sent to you for approval prior to purchase.

Please feel free to call me if you have any questions.

Joe

ORGANIZATION	City of Green Cove Springs
SUBJECT	Historic Plaque Quote
MESSAGE	<p>Hello. I am reaching out on behalf of the City of Green Cove Springs. The city is looking to have plaques made to be placed at the sites of historic buildings. The plaques will be made of bronze and are planned to be 2' x 2' x 3/4". They plaques will have an image of the historic building as well as text and some other design features that are yet to be determined. Could I have a quote for the price of one of these plaques or as many as six if the price scales with quantity? Thank you.</p>
