Mr Kennedy,  
My week just got to busy so thank you for reaching out through e-mail.  
April 28, CalaVita will have Dancing in the Street. This year it will be held in front of Roger That on Walnut and down as far as just before St Johns Avenue.  
We will need Walnut Street closed at Magnolia, and the parking area for Roger That and the city portion parking lots that drop into Walnut will need to be closed. We will have one food truck across Walnut right before St Johns. This will allow traffic to come down St Johns and make the circle by the pier.  
We will have our VIP reception at Roger That and under the pavilion over the pool Fat Cactus will play and we will have venders. Spring Coffee, The Corner Pocket and a hotdog cart.  
The evening begins at 6:30 until 8:30.  
Our Theme is The 70's, and we are encouraging people to dress the part. A prize will be awarded for the best dressed.  
We would like to suggest some of the following ideas that Staff could help in this area.  
We would like to have additional garbage cans/boxes around that area.  
This is a family fun evening so we will not be encouraging drinking.

We will encourage people to bring their own lawn chairs, but we would like to show off our beautiful pool by it being cleaned. Since it is a kid friendly event we would like to have the area treated for ants so no one steps in an ant bed and I believe the flower beds have been spruced up already, but I'd just like to make sure I mention it so that area is at its best.

We believe golf course parking will be popular as it was last year. We'd like to have a designated area, possibly in the grassy parking lot off St Johns, but we are open to another area.

You will need to decide what kind of police presence for our road closures and our guests.

I would love to come over and discuss any thing in regard to this evening.

Pam Lewis and I are responsible for this evening of CalaVita so please let us know what else you may need to know about this evening.

Cheri

Mrs. Starnes,

You were mentioning something to me on Tuesday evening as I was getting on the elevator and I wanted to follow up and see what I could do for you.

Please advise.
