

## 2022 FLORIDA STATUTES

### **163.356 Creation of community redevelopment agency**

(1) Upon a finding of necessity as set forth in s. 163.355, and upon a further finding that there is a need for a community redevelopment agency to function in the county or municipality to carry out the community redevelopment purposes of this part, any county or municipality may create a public body corporate and politic to be known as a “community redevelopment agency.” A charter county having a population less than or equal to 1.6 million may create, by a vote of at least a majority plus one of the entire governing body of the charter county, more than one community redevelopment agency. Each such agency shall be constituted as a public instrumentality, and the exercise by a community redevelopment agency of the powers conferred by this part shall be deemed and held to be the performance of an essential public function. Community redevelopment agencies of a county have the power to function within the corporate limits of a municipality only as, if, and when the governing body of the municipality has by resolution concurred in the community redevelopment plan or plans proposed by the governing body of the county.

(2) When the governing body adopts a resolution declaring the need for a community redevelopment agency, that body shall, by ordinance, appoint a board of commissioners of the community redevelopment agency, which shall consist of not fewer than five or more than nine commissioners. The terms of office of the commissioners shall be for 4 years, except that three of the members first appointed shall be designated to serve terms of 1, 2, and 3 years, respectively, from the date of their appointments, and all other members shall be designated to serve for terms of 4 years from the date of their appointments. A vacancy occurring during a term shall be filled for the unexpired term. As provided in an interlocal agreement between the governing body that created the agency and one or more taxing authorities, one or more members of the board of commissioners of the agency may be representatives of a taxing authority, including members of that taxing authority’s governing body, whose membership on the board of commissioners of the agency would be considered an additional duty of office as a member of the taxing authority governing body.

(3)(a) A commissioner shall receive no compensation for services, but is entitled to the necessary expenses, including travel expenses, incurred in the discharge of duties. Each commissioner shall hold office until his or her successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the county or municipality, and such certificate is conclusive evidence of the due and proper appointment of such commissioner.

(b) The powers of a community redevelopment agency shall be exercised by the commissioners thereof. A majority of the commissioners constitutes a quorum for the purpose of conducting business and exercising the powers of the agency and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the bylaws require a larger

number. Any person may be appointed as commissioner if he or she resides or is engaged in business, which means owning a business, practicing a profession, or performing a service for compensation, or serving as an officer or director of a corporation or other business entity so engaged, within the area of operation of the agency, which shall be coterminous with the area of operation of the county or municipality, and is otherwise eligible for such appointment under this part.

(c) The governing body of the county or municipality shall designate a chair and vice chair from among the commissioners. An agency may employ an executive director, technical experts, and such other agents and employees, permanent and temporary, as it requires, and determine their qualifications, duties, and compensation. For such legal service as it requires, an agency may employ or retain its own counsel and legal staff.

(d) An agency authorized to transact business and exercise powers under this part shall file with the governing body the report required pursuant to s. 163.371(2).

(e) At any time after the creation of a community redevelopment agency, the governing body of the county or municipality may appropriate to the agency such amounts as the governing body deems necessary for the administrative expenses and overhead of the agency, including the development and implementation of community policing innovations.

(4) The governing body may remove a commissioner for inefficiency, neglect of duty, or misconduct in office only after a hearing and only if he or she has been given a copy of the charges at least 10 days prior to such hearing and has had an opportunity to be heard in person or by counsel.

#### **163.357 Governing body as the community redevelopment agency.—**

(1)(a) As an alternative to the appointment of not fewer than five or more than seven members of the agency, the governing body may, at the time of the adoption of a resolution under s. 163.355, or at any time thereafter by adoption of a resolution, declare itself to be an agency, in which case all the rights, powers, duties, privileges, and immunities vested by this part in an agency will be vested in the governing body of the county or municipality, subject to all responsibilities and liabilities imposed or incurred.

(b) The members of the governing body shall be the members of the agency, but such members constitute the head of a legal entity, separate, distinct, and independent from the governing body of the county or municipality. If the governing body declares itself to be an agency which already exists, the new agency is subject to all of the responsibilities and liabilities imposed or incurred by the existing agency.

(c) A governing body which consists of five members may appoint two additional persons to act as members of the community redevelopment agency. The terms of office of the additional members shall

be for 4 years, except that the first person appointed shall initially serve a term of 2 years. Persons appointed under this section are subject to all provisions of this part relating to appointed members of a community redevelopment agency.

(d) As provided in an interlocal agreement between the governing body that created the agency and one or more taxing authorities, one or more members of the board of commissioners of the agency may be representatives of a taxing authority, including members of that taxing authority's governing body, whose membership on the board of commissioners of the agency would be considered an additional duty of office as a member of the taxing authority governing body.

(2) Nothing in this part prevents the governing body from conferring the rights, powers, privileges, duties, and immunities of a community redevelopment agency upon any entity in existence on July 1, 1977, which has been authorized by law to function as a downtown development board or authority or as any other body the purpose of which is to prevent and eliminate slums and blight through community redevelopment plans. Any entity in existence on July 1, 1977, which has been vested with the rights, powers, privileges, duties, and immunities of a community redevelopment agency is subject to all provisions and responsibilities imposed by this part, notwithstanding any provisions to the contrary in any law or amendment thereto which established the entity. Nothing in this act shall be construed to impair or diminish any powers of any redevelopment agency or other entity as referred to herein in existence on the effective date of this act or to repeal, modify, or amend any law establishing such entity, except as specifically set forth herein.

**163.358 Exercise of powers in carrying out community redevelopment and related activities.**— Each county and municipality has all powers necessary or convenient to carry out and effectuate the purposes and provisions of this part, including those powers granted under s. 163.370. A county or municipality may delegate such powers to a community redevelopment agency created under s. 163.356, except the following, which continue to vest in the governing body of the county or municipality:

(1) The power to determine an area to be a slum or blighted area, or combination thereof; to designate such area as appropriate for community redevelopment; and to hold any public hearings required with respect thereto.

(2) The power to grant final approval to community redevelopment plans and modifications thereof.

(3) The power to authorize the issuance of revenue bonds as set forth in s. 163.385.

(4) The power to approve the acquisition, demolition, removal, or disposal of property as provided in s. 163.370(4) and the power to assume the responsibility to bear loss as provided in s. 163.370(4).

(5) The power to approve the development of community policing innovations.

(6) The power of eminent domain.

**163.360 Community redevelopment plans.—**

(1) Community redevelopment in a community redevelopment area shall not be planned or initiated unless the governing body has, by resolution, determined such area to be a slum area, a blighted area, or an area in which there is a shortage of housing affordable to residents of low or moderate income, including the elderly, or a combination thereof, and designated such area as appropriate for community redevelopment.

(2) The community redevelopment plan shall:

(a) Conform to the comprehensive plan for the county or municipality as prepared by the local planning agency under the Community Planning Act.

(b) Be sufficiently complete to indicate such land acquisition, demolition and removal of structures, redevelopment, improvements, and rehabilitation as may be proposed to be carried out in the community redevelopment area; zoning and planning changes, if any; land uses; maximum densities; and building requirements.

(c) Provide for the development of affordable housing in the area, or state the reasons for not addressing in the plan the development of affordable housing in the area. The county, municipality, or community redevelopment agency shall coordinate with each housing authority or other affordable housing entities functioning within the geographic boundaries of the redevelopment area, concerning the development of affordable housing in the area.

(3) The community redevelopment plan may provide for the development and implementation of community policing innovations.

(4) The county, municipality, or community redevelopment agency may itself prepare or cause to be prepared a community redevelopment plan, or any person or agency, public or private, may submit such a plan to a community redevelopment agency. Prior to its consideration of a community redevelopment plan, the community redevelopment agency shall submit such plan to the local planning agency of the county or municipality for review and recommendations as to its conformity with the comprehensive plan for the development of the county or municipality as a whole. The local planning agency shall submit its written recommendations with respect to the conformity of the proposed community redevelopment plan to the community redevelopment agency within 60 days after receipt of the plan for review. Upon receipt of the recommendations of the local planning agency, or, if no recommendations are received within such 60 days, then without such recommendations, the community redevelopment agency may proceed with its consideration of the proposed community redevelopment plan.

(5) The community redevelopment agency shall submit any community redevelopment plan it recommends for approval, together with its written recommendations, to the governing body and to each taxing authority that levies ad valorem taxes on taxable real property contained within the geographic boundaries of the redevelopment area. The governing body shall then proceed with the hearing on the proposed community redevelopment plan as prescribed by subsection (6).

(6)(a) The governing body shall hold a public hearing on a community redevelopment plan after public notice thereof by publication in a newspaper having a general circulation in the area of operation of the county or municipality. The notice shall describe the time, date, place, and purpose of the hearing, identify generally the community redevelopment area covered by the plan, and outline the general scope of the community redevelopment plan under consideration.

(b) For any governing body that has not authorized by June 5, 2006, a study to consider whether a finding of necessity resolution pursuant to s. 163.355 should be adopted, has not adopted a finding of necessity resolution pursuant to s. 163.355 by March 31, 2007, has not adopted a community redevelopment plan by June 7, 2007, and was not authorized to exercise community redevelopment powers pursuant to a delegation of authority under s. 163.410 by a county that has adopted a home rule charter, the following additional procedures are required prior to adoption by the governing body of a community redevelopment plan under subsection (7):

1. Within 30 days after receipt of any community redevelopment plan recommended by a community redevelopment agency under subsection (5), the county may provide written notice by registered mail to the governing body of the municipality and to the community redevelopment agency that the county has competing policy goals and plans for the public funds the county would be required to deposit to the community redevelopment trust fund under the proposed community redevelopment plan.

2. If the notice required in subparagraph 1. is timely provided, the governing body of the county and the governing body of the municipality that created the community redevelopment agency shall schedule and hold a joint hearing co-chaired by the chair of the governing body of the county and the mayor of the municipality, with the agenda to be set by the chair of the governing body of the county, at which the competing policy goals for the public funds shall be discussed. For those community redevelopment agencies for which the board of commissioners of the community redevelopment agency are comprised as specified in s. 163.356(2), a designee of the community redevelopment agency shall participate in the joint meeting as a nonvoting member. Any such hearing must be held within 90 days after receipt by the county of the recommended community redevelopment plan. Prior to the joint public hearing, the county may propose an alternative redevelopment plan that meets the requirements of this section to address the conditions identified in the resolution making a finding of necessity required by s. 163.355. If such an alternative redevelopment plan is proposed by the county, such plan shall be delivered to the governing body of the municipality that created the community

redevelopment agency and to the executive director or other officer of the community redevelopment agency by registered mail at least 30 days prior to holding the joint meeting.

3. If the notice required in subparagraph 1. is timely provided, the municipality may not proceed with the adoption of the plan under subsection (7) until 30 days after the joint hearing unless the governing body of the county has failed to schedule or a majority of the members of the governing body of the county have failed to attend the joint hearing within the required 90-day period.

4. Notwithstanding the time requirements established in subparagraphs 2. and 3., the county and the municipality may at any time voluntarily use the dispute resolution process established in chapter 164 to attempt to resolve any competing policy goals between the county and municipality related to the community redevelopment agency. Nothing in this subparagraph grants the county or the municipality the authority to require the other local government to participate in the dispute resolution process.

(7) Following such hearing, the governing body may approve the community redevelopment and the plan therefor if it finds that:

(a) A feasible method exists for the location of families who will be displaced from the community redevelopment area in decent, safe, and sanitary dwelling accommodations within their means and without undue hardship to such families;

(b) The community redevelopment plan conforms to the general plan of the county or municipality as a whole;

(c) The community redevelopment plan gives due consideration to the utilization of community policing innovations, and to the provision of adequate park and recreational areas and facilities that may be desirable for neighborhood improvement, with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the plans;

(d) The community redevelopment plan will afford maximum opportunity, consistent with the sound needs of the county or municipality as a whole, for the rehabilitation or redevelopment of the community redevelopment area by private enterprise; and

(e) The community redevelopment plan and resulting revitalization and redevelopment for a coastal tourist area that is deteriorating and economically distressed will reduce or maintain evacuation time, as appropriate, and ensure protection for property against exposure to natural disasters.

(8) If the community redevelopment area consists of an area of open land to be acquired by the county or the municipality, such area may not be so acquired unless:

(a) In the event the area is to be developed in whole or in part for residential uses, the governing body determines:

1. That a shortage of housing of sound standards and design which is decent, safe, affordable to residents of low or moderate income, including the elderly, and sanitary exists in the county or municipality;

2. That the need for housing accommodations has increased in the area;
3. That the conditions of blight in the area or the shortage of decent, safe, affordable, and sanitary housing cause or contribute to an increase in and spread of disease and crime or constitute a menace to the public health, safety, morals, or welfare; and
4. That the acquisition of the area for residential uses is an integral part of and is essential to the program of the county or municipality.

(b) In the event the area is to be developed in whole or in part for nonresidential uses, the governing body determines that:

1. Such nonresidential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives.
2. Acquisition may require the exercise of governmental action, as provided in this part, because of:
  - a. Defective, or unusual conditions of, title or diversity of ownership which prevents the free alienability of such land;
  - b. Tax delinquency;
  - c. Improper subdivisions;
  - d. Outmoded street patterns;
  - e. Deterioration of site;
  - f. Economic disuse;
  - g. Unsuitable topography or faulty lot layouts;
  - h. Lack of correlation of the area with other areas of a county or municipality by streets and modern traffic requirements; or
  - i. Any combination of such factors or other conditions which retard development of the area.

3. Conditions of blight in the area contribute to an increase in and spread of disease and crime or constitute a menace to public health, safety, morals, or welfare.

(9) Upon the approval by the governing body of a community redevelopment plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective community redevelopment area, and the county or municipality may then cause the community redevelopment agency to carry out such plan or modification in accordance with its terms.

(10) Notwithstanding any other provisions of this part, when the governing body certifies that an area is in need of redevelopment or rehabilitation as a result of an emergency under s. 252.34(4), with respect to which the Governor has certified the need for emergency assistance under federal law, that area may be certified as a "blighted area," and the governing body may approve a community redevelopment plan and community redevelopment with respect to such area without regard to the

provisions of this section requiring a general plan for the county or municipality and a public hearing on the community redevelopment.
