Scott,

Please proceed and place on the March 4 agenda for ratification.

Thanks,

Mike Null

Subject: FW: CR 209 N Emergency Water Main Relocation

Good afternoon:

I met with General Underground and they have an opening the week of March 4th and can complete the job during that week. I just need the affirmation to proceed.

Scott

Subject: CR 209 N Emergency Water Main Relocation

I used the 3-4-25 ratification staff report to describe the issue Mike and I discussed. Note quotes 2 years apart.
