Proposed development***Residential Single Family & Two- Family Development***

The property is consistent with the land use and zoning of the surrounding areas. The character of the proposed development is consistent with those of adjacent multi-family residential developments on Vermont Ave and abutting State Road 16. The parcels directly adjacent to the east and north currently have high-density land use and R-3 zoning. In addition, the subject property is consistent with other similar properties in the surrounding areas of the city and is in conformity with local land use plans and zoning ordinances. The subject property will also create a much-needed affordable housing neighborhood that will have a great economic and fiscal benefit to the area and the community. The affordable
