

STAFF REPORT

CITY OF GREEN COVE SPRINGS, FLORIDA

TO: City Council Regular Session **MEETING DATE:** May 6, 2025
FROM: Scott Schultz, Asst. Water Utilities Director
SUBJECT: City Council authorization for the Asst. Water Utilities Director to execute the Utility Work by Highway Contractor Agreement, and approval of funding in the amount of \$44,880.00, for the FDOT paving contractor to adjust manholes and valve jackets as part of the repaving of State Road 16. *Scott Schultz*

BACKGROUND

The Florida Department of Transportation (FDOT) is repaving State Road 16. A contractor has been chosen through the FDOT formal bidding process. As part of the bid the contractor provides the cost to adjust manholes and valve jackets. It is far more efficient and effective for the paving contractor to perform these adjustments than the logistics to have city staff or another contractor perform these adjustments.

FISCAL IMPACT

\$44,880.00 from the Wastewater Fund

RECOMMENDATION

Authorize the Asst. Water Utilities Director to execute the Utility Work by Highway Contractor Agreement, and approve of funding in the amount of \$44,880.00, for the FDOT paving contractor to adjust manholes and valve jackets as part of the repaving of State Road 16.
