SUBJECT: City Council discussion and direction regarding reduction of automobile insurance requirements for Solid Waste C&D franchise haulers. *Mike Null*

BACKGROUND

Our current City Code regulating franchises for solid waste and construction & demolition (C&D) haulers requires \$1,000,000 in automobile liability coverage in addition to \$1,000,000 in general liability insurance coverage. This amount of automobile coverage is very onerous on the smaller haulers, especially for C&D. Clay County and St. Johns County both require \$300,000 in automobile liability coverage for the C&D haulers.

We received a request from one of our new haulers to consider reducing the amount of automobile liability coverage that we require. In his case, he only has two trucks, one of which was recently purchased. This excess coverage changes his automobile insurance coverage for the one truck from \$12,000 per year to \$20,000 per year.

Staff is presenting this item for discussion and direction. A change will require an Ordinance to change current City Code.
