

**THIRD ADDENDUM TO THAT CERTAIN
INTERLOCAL AGREEMENT BETWEEN
THE CITY OF GREEN COVE SPRINGS, FLORIDA AND
THE CLAY COUNTY UTILITY AUTHORITY**

THIS THIRD ADDENDUM to that certain Interlocal Agreement by and between the City of Green Cove Springs, Florida a municipal corporation, whose address is 321 Walnut Street, Green Cove Springs, Florida 32043 (City) and the Clay County Utility Authority, whose address is 3176 Old Jennings Road, Middleburg, Florida 32068-3907 (Authority) is made and entered into as of the date shown below for the last signatory hereof.

W I T N E S S E T H

WHEREAS, on March 17, 1998, the City of Green Cove Springs, Florida (City) and the Clay County Utility Authority (Authority) entered into an Interlocal Agreement relative to the provision by the City of bulk water and wastewater utility capacity to the Authority so as to enable the Authority to provide service to customers within its service area for which it did not, at the time, have the requisite plant capacity to provide such service on its own. A copy of said Interlocal Agreement is attached hereto and incorporated herein by specific reference; and

WHEREAS, on August 7, 2018, the parties entered into a First Addendum to said Interlocal Agreement relative to rates and charges to be paid by the Authority to the City for such services. A copy of said First Addendum is attached hereto and incorporated herein by specific reference; and

WHEREAS, on May 2, 2021 the parties entered into the Second Addendum to said Interlocal Agreement whereas the City agrees to make temporary water and wastewater treatment plant capacity available to the Authority by which it may provide retail service to the Rookery (formerly Ayrshire) Project on a temporary basis until such time as the Authority has treatment plant capacity of its own to service such Project, at which time the Authority will cease

taking interim treatment capacity from the City and provide such capacity to the said Ayrshire Project on a permanent basis.

WHEREAS, the City and Authority, in reviewing and planning the limits of the water and sewer service territory have determined certain parcels inside the Authority's service territory are only practical for the city to serve.

NOW, THEREFORE, for and in consideration of the recitals and the covenants, representations, warranties and agreements herein contained, and intending to be legally bound, the parties hereto agree as follows:

1. The Authority, pursuant to the terms and conditions of the Interlocal Agreement and the First Addendum and Second Addendum thereto referenced hereinabove, agrees to amend their service territory per the boundaries established in Attachment "A".

2. Attachment "A" is a map showing the City's current service territory outlined in blue, the area proposed to be transferred to the City's service territory outlined in red, the St. Johns River Water Management District (SJRWMD) parcels shaded in green, and the private parcels within the transferred area shaded in pink. In order to clearly delineate the transferred territory the boundary of the SJRWMD parcel and the St. Johns River were utilized.
