BACKGROUND

The City is in the process of applying for two separate CDBG grants. These grants require a four-factor analysis to determine if the City needs to post critical documents related to the grants in languages other than English. This analysis was performed back in February of 2021 and approved by City Council at its March 2, 2021 Council Meeting. The CDBG grant program is now also requiring a resolution adopting the analysis and the resulting Language Access Plan (LAP).
