TO: City Council **MEETING DATE:** September 21, 2021
FROM: Michael Daniels, AICP, Planning & Zoning Director
SUBJECT: Potential Development Moratorium Discussion

BACKGROUND

Pursuant to the discussion at the Joint Planning Commission / City Council Meeting on Thursday, August 26th, Council and Planning Commissioners expressed concerns regarding existing uses that are currently allowed predominantly in the Central Business District. As a result, staff was directed to research temporary development moratoriums for discussion purposes. Staff has provided examples of development moratoriums from the City of Edgewood and Hillsborough County for Council review. In addition, staff has provided a spreadsheet with permitted uses and special exceptions in the Central Business District and Gateway Corridor District that could be considered as part of a moratorium. Staff has also provided the current allowed use chart within the Central Business District and Gateway Corridor Districts identifying permitted uses and special exceptions that could be considered for temporary prohibition while the city is in the process of updating the Comprehensive Plan and Downtown Master Plan.

FISCAL IMPACT

Potential for a temporary loss of development fees and ad valorem revenue.
