POP Project: An identified need to repair an issue or conduct a long-term investigation of an issue. Officers must identify the issue, its location, and their efforts to correct it.											
Pop Project Location											
Problem or Concern											
Actions taken to remedy:											
Arrests			Primary Charge only (No names, multiple charges etc)								
Community Policing			Officers are expected to interact with the community while they perform their duties. Meeting with businesses or citizens and handing out Dept materials, such as junior badges, calendars, coloring books all count. Each contact counts as one community contact.								

Community Resource Officer
