

A request from GE to add onto our agreement with them for the purchase of the Circuit Switcher

1. The price stated in the Offer does not include any duties, tariffs, or value-added tax on raw materials, component imports, including imported finished goods and manufactured goods ("Tariffs"), which are to be paid by the Seller, irrespective of the agreed Incoterms, due to recent changes in law. The Parties agree that the Seller will be entitled to such Tariffs upon receiving written notification and the issuance of a separate invoice for the Tariffs. The Buyer agrees to pay the amount due within thirty (30) days of receiving the invoice.
