

# STAFF REPORT

## CITY OF GREEN COVE SPRINGS, FLORIDA

---

**TO:** City Counsel Regular Session

**MEETING DATE:** December 09, 2025

**FROM:** Andy Yeager, Electric Director

**SUBJECT:** Request for additional Tariff cost on Circuit Switcher

### BACKGROUND

We have previously put in a Consent Agenda item and it was passed to purchase a Circuit Switcher from GE. However, with the long lead times and the uncertainty of tariff's GE has asked the city to put in language referencing the tariff costs if there happen to be any.

### FISCAL IMPACT

The only fiscal impact will be if there is an unknown rise in the tariff cost of more than they have already in their proposal and then it will be passed on to Green Cove Springs.

### RECOMMENDATION

Approve the addition of tariff costs to the original bid award amount for the purchase of the Circuit Switcher.
