B. Required Pavers & Stripping and modifications shall be subject to the terms and provisions of this Agreement, specifically including, without limitation, the "Operation, Maintenance & Repair" section hereof.

C. Pavers & Stripping and modifications shall be constructed and completed by the Agency within sixty (60) days of the date of the Department's written notice requiring Pavers & Stripping or modifications.

#### **10. FEDERAL NON-PARTICIPATION/FUNDING**

A. The parties agree that any Improvements constructed on the Property will be compensable by the Department only if such items are deemed to be federal participating as determined in accordance with the Federal Aid Policy Guide 23, CFR Section 635.120 ("CFR"). Examples of non-participating items may include, without limitation, the following: fishing piers; premium costs due to design or CEI errors/omissions; material or equipment called for in the plans but not used in construction of the Improvements.

B. The example items listed in paragraph A, above, are not intended to be an exhaustive list. A determination of an item as a federal non-participating cost, shall be made in the Department's sole discretion and, without limitation, in accordance with the CFR. Any items or Improvements deemed to be a federal non-participating item shall be funded at the sole expense of the Agency.

a. Should the Department identify a federal non-participating item, the Agency shall provide a deposit for the amount of the federal non-participating item to the Department within fourteen (14) calendar days of the Department's determination and notification of the same to the Agency.

b. The Department shall notify the Agency as soon as it is determined that a non-participating federal item exists; however, failure of the Department to so notify the Agency shall not relieve the Agency of its obligation to pay for the entire amount of all federal non-participating costs accrued during the construction of the Pavers & Stripping and upon final accounting.

c. In the event the Agency cannot provide the deposit within fourteen (14) calendar days, a letter, prior to expiration of that time, must be submitted to and approved by the Department's contract manager establishing a mutually agreeable date of deposit.

d. The Agency understands the extension of time, if so approved, may delay construction of the Pavers & Stripping, and additional federal non-participating costs may be incurred due to the delay.

C. The Department intends to have its final and complete accounting of all costs incurred in connection with the work performed hereunder within three hundred sixty days (360) of final payment to the Contractor. The Department considers the Project complete when the final payment has been made to the Contractor, not when the construction work is complete. All federal non-participating fund cost records and accounts shall be subject to audit by a representative of the Department for a period of three (3) years after final close out of the Project. The Agency will be notified of the final federal non-participating costs of the Project. Both parties agree that in the event the final accounting of total federal non-participating costs pursuant to the terms of this Agreement is less than the total deposits to date, a refund of the excess will be made by the Department to the Agency. If the final accounting is not performed within three hundred and sixty (360) days, the Agency is not relieved of its obligation to pay. In the event the final accounting of total federal non-participating costs is greater than the total deposits to date, the Agency will pay the additional amount within forty (40) calendar days of the date of the invoice from the Department.

D. The payment of funds pursuant to this Agreement provision will be made directly to the Department for deposit.

### **11. UTILITIES**

B. If the Agency fails to perform MOT as required herein, the Department, within its discretion, may elect to perform MOT at the Agency's sole cost and expense. Should the Department perform MOT, the Department shall provide the Agency with an invoice for the costs incurred by the Department and the Agency shall pay the invoice in accordance with the "Payment" section of this Agreement.

### **13. REMOVAL**

A. The Department may require the Agency to remove the Pavers & Stripping and restore the Department Property to such condition as required by the Department if the Department determines: (1) the Pavers & Stripping is not maintained in accordance with Governmental Law; (2) removal of the Pavers & Stripping is required by applicable Governmental Law; (3) the Agency breaches a material provision (as determined by the Department) of this Agreement, or (4) removal of the Pavers & Stripping will benefit the Department in the conduct of its business. Removal and restoration shall be completed by the Agency within sixty (60) days of the date of the Department's written notice requiring removal of the Pavers & Stripping, or such other time as the Department and the Agency mutually agree in writing.

B. Removal and restoration shall be completed by the Agency in accordance with all applicable Governmental Law.

C. Should the Agency fail to complete the removal and restoration work as required herein, the Department may: (1) provide the Agency with written authorization granting such additional time as the Department deems appropriate to complete removal and restoration; or (2) complete the removal and restoration at the Agency's sole cost and expense. Should the Department elect to complete the removal and restoration, the Department shall provide the Agency with an invoice for the costs incurred by the Department and the Agency shall pay the invoice in accordance with the "Payment" section of this Agreement.

### **14. PERMISSIVE USE**

This Agreement creates a permissive use only and neither the granting of permission to use the Department Property or the Pavers & Stripping on or within the Department Property shall operate to create or vest any property right to or in the Agency. The Agency shall not acquire any right, title, interest or estate in the Department Property by virtue of the execution, operation, effect or performance of this Agreement.

### **15. EMINENT DOMAIN AND DAMAGES**

Under no circumstances shall the Department's exercise of any right provided in this Agreement create any right, title, interest or estate entitling the Agency to full and just compensation from the Department either through inverse condemnation or eminent domain laws or any similar laws regarding the taking of property for public purposes. The Agency forever waives and relinquishes all legal rights and monetary claims which it has, or which may arise in the future, for compensation or damages, including, without limitation, special damages, severance damages, removal costs, and loss of business profits resulting in any manner from the Department's exercise of any right provided in this Agreement. This waiver and relinquishment specifically includes all damages flowing from adjacent properties owned, leased or otherwise controlled by the Agency, as a result of the Department's exercise of any right provided in this Agreement.

### **16. DUE DILIGENCE & WARRANTIES**

A. All due diligence requirements related to the Agency's negotiation, execution and performance of this Agreement are the sole responsibility of the Agency.

B. The Department makes no representations or warranties of any kind, express or implied, concerning the Department Property, including, without limitation, representations and warranties concerning: (1) the physical condition of the Department Property; and (2) merchantability or fitness for a particular purpose.

The Agency's duty to defend, indemnify and hold the Department harmless specifically does not encompass indemnifying the Department for its negligence, intentional or wrongful acts, omissions or breach of contract.

B. The Agency shall notify the Department in writing immediately upon becoming aware of any Liabilities. The Agency's obligation to defend, indemnify and hold the Department harmless from any Liabilities, or at the Department's option to participate and associate with the Department in the defense and trial of any Liabilities, including any related settlement negotiations, shall be triggered by the Department's written notice of claim for indemnification to the Agency. The Agency's inability to evaluate liability, or its evaluation of liability, shall not excuse performance of the provisions of this paragraph.
