TOWN OF GRAND LAKE 2024 BUDGET MESSAGE

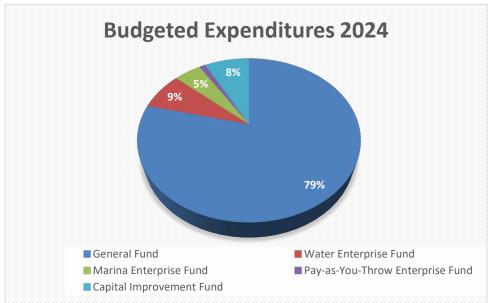

The proposed 2024 budget for the Town of Grand Lake, Colorado was initially presented to the Town Board of Trustees on September 11, 2023 and work shopped on October 23rd. The 2024 budget totals are as follows:

Total:	\$6,547,627	\$5,048,930	\$5,939,277	\$5,656,919

Our budget for 2024 has been primarily constructed by building upon the 2023 budget, year-to-date estimates, and known expenses. We anticipate that sales tax revenues will remain relatively stable for 2024. As we do not have certainty about the opening of a marijuana store, we've conservatively estimated this tax revenue. Property tax calculations are based on the preliminary assessed property values from Grand County, indicating a potential 70% increase. Management is responsible for the preparation and fair representation of the Town's financial condition in accordance with accounting principles generally accepted in the U.S.

GENERAL FUND

Services provided by the Town under the General Fund include: Administration; Public Safety (through a contract with the Grand County Sheriff's Department); Public Works (Streets and Parks); Municipal Court; Elections; Culture and Recreation, the Grand Lake Center; Planning and Zoning, and Code Administration.

The General Fund utilizes the modified accrual basis of accounting, a method under which revenues are recognized in the period they become available and measurable; and expenditures are recognized in the period

Page 4 of 8

the associated liability is incurred. We expect to begin 2024 with a beginning balance in the General Fund of approximately \$ 2,545M.

Notable Budget Items

Revenue

- Property Tax revenues for 2024 were calculated based on statutory limitations.
- Sales Tax revenues for 2024 are budgeted using actual 2023 through September 2023 and September December 2022 sales tax receipts. These amounts are expected to be flat with 2023 after the increases the last couple of years.
- The Town anticipates 2 grants from the State of Colorado that will be awarded for the Space to Create project which has been allocated for \$4M.
- Other revenues include increases in sale of assets, Grand Lake Center fees, new line items for marijuana fees and taxes.

Operation Expenditures

- **Gross Wages:** Wages are expected to increase in 2024. This increase includes a 5% cost of living increase for current staff as well as a 2% merit increase pool. It also includes funds for Water and Public Works to be fully staffed. Health insurance and Workman's Comp have increased as well.
- Greenways Committee: Increased for anticipated price increases for 2024.
- **Board of Trustees:** includes estimated expenses for recognition benches and community dinner.
- Marketing: includes a \$50K increase ask from the Grand Lake Chamber.
- **Public Works/Parks:** To streamline expenses, we have combined certain line items between Parks and Public Works, including personnel, tools, and equipment, as they share common costs. We will also be purchasing new traffic counters and confined space gas meters, internet to the beach area and repair of the L docks.
- Capital Outlay: We've allocated resources for essential projects, including the replacement of Town Hall ramps, paving, drainage improvements, a purchase of a mini loader, e-bike, and funding support for the Great Outdoors Coloardo (GOC) Grant for Grand Lake Area Historical Society (GLAHS) and a park marque sign. We also anticipate 2 grants from the State of Colorado that will be awarded for the Space to Create project which has been allocated for \$4M.
- **Paving:** \$50K for Portal to East Inlet
- **Drainage:** \$50K for a few needed projects that have been identified.
- **Grand Lake Center:** Will continue with the Summer Kids Camp Program at \$30K. Facility repairs for 2023 were approximately \$33K.

Debt Service

• In 2021, the Town purchased property and water rights at 195 GCR 48 in Grand Lake CO for \$1,200,000, and Thomasson Park for \$217,678.28 with the proceeds from a COP. In 2023, the town will pay \$90,000 in principal and \$39,615 in interest on the COPs.

WATER ENTERPRISE FUND

Water service is provided within the Town limits and to certain outlying areas by the Town through the Water Enterprise Fund. The Water Enterprise Fund also uses the modified accrual basis of accounting. The Water Enterprise Fund is a proprietary fund, which generally report services for which the Town charges customers a fee. In 2017, we began site preparation for the future installation of a 300,000-gallon buried concrete water tank to replace the existing aboveground 250,000-gallon tank. Site preparation was started in the fall of 2017. Tank construction began in the summer of 2018 and was completed in the fall of 2018. We expect to begin 2024 with a beginning fund balance just over \$2M.

Notable Budget Items

Revenue

• A water rate study was conducted in 2008. Based upon the recommendations in that study, starting in 2009 service fees were set to increase 6% annually for ten years (initially through 2018) to sustain operations and provide for future capital projects. The Board of Trustees passed a Resolution opting out of the April 2015 increase; however, the scheduled increase did occur in 2016. No increase was applied in 2017, but the 6% increase was applied in 2018 and will continue in 2019, and 2020, as currently planned. The current increases have reached the maximum allotted amount in 2020. In 2023 we increase our late fee to \$25.

Operation Expenses

• Expenses across the Water Fund increased from increased supplies, utilities and workmans' comp insurance and to also update the water control system. We also anticipate our water department will be fully staffed in 2024. We expect the fund to end with \$2.1M in reserve.

Debt Service

• We have borrowed \$1.6 million to install the new 300,000-gallon buried concrete water storage tank through a State Revolving Fund loan (SRF). Our principal and interest payments will be approximately \$71,384 and \$23,404 respectively for a total annual payment of \$94,788 in 2024.

MARINA ENTERPRISE FUND

The Marina Enterprise, doing business as the Headwaters Marina, is owned by the Town and was established in 2007. Services include pontoon and pedal boat rentals, and historic lake tours. The Marina Enterprise Fund utilizes the modified accrual basis of accounting.

Notable Budget Items

Revenue

• The Marina revenues for 2023 increased by 20% mostly due to rental and tour price increases. Expenses for 2024 show an increase of 14% from the 2023 budget.

Operation Expenses

- **Fireworks:** Fireworks will continue be run out the Marina in 2024 with 3 shows sponsored by the Town (4th of July, Buffalo Days and New Years Eve.)
- Capital: Marina has budgeted \$60K for lot repairs by the volleyball gravel lot.

PAY-AS-YOU-THROW ENTERPRISE FUND

The Pay-As-You-Throw Enterprise Fund, the third proprietary fund of the Town, has been successful beyond initial expectations since its inception in 2010 in addressing the problem of trash service in Town, particularly for part-time residents, second homeowners, and visitors. The use of the program continues to grow each year.

The Pay-As-You-Throw Enterprise Fund bags are purchased wholesale by the PAYT Fund and sold in bulk to a number of retail outlets, retail outlets can sell the bags, collect taxes, and retain small profit margins. We also sell bags individually to residents and visitors, predominantly at Town Hall and Grand Lake Center.

Notable Budget Items

• Capital: PAYT has budgeted \$20K for required recycling and an additional \$25K for staff time managing the site.

Capital Improvement Fund

On November 8, 2016, the citizens of Grand Lake passed a ballot question to increase sales and use tax from 4% to 5%, effective January 1, 2017, and to incur debt for the purpose of financing improvements to streets, boardwalks, sidewalks, multi-use pathways, streetscapes, signage and drainage. These bonds were sold in May 2017 and generated an additional premium of \$385,090. Debt service began in December 2017. These funds are used first to pay debt service on the bonds in, then to fund the Surplus Fund requirement of \$280,500 and finally to operate and maintain the infrastructure installed.

Notable Budget Items

<u>Capital:</u> The town will continue to improve the roads and has budgeted \$350K. We have also budgeted \$100K to improve the boardwalks, \$25K for engineering services, \$50K for maintenance and \$5K for greenbelt maintenance.

Debt Service: In 2024 the town will pay \$125,000 in principal and \$153,450 for the 2017 bond debt.

SUMMARY

The Board of Trustees of the Town of Grand Lake are committed to continuing to serve the citizens with quality service while maintaining a fiscally responsible budget.

Management will closely monitor revenues and limit expenditures to keep within overall budget parameters. Monthly reviews of departmental budgets will be held with the Town Manager, the Town Treasurer and department directors. Budget expenditure variances of 15% or greater will be reviewed at these monthly meetings and discussed in an effort to keep budgets in line throughout the year. Subsequently, departmental budgets have predominantly come in under budget the past few years.

The Town Board and Town staff will continue to provide the services citizens expect while simultaneously being good stewards of public funds.

Respectfully submitted,

John Crone Town Manager

Heike Wilson Town Treasurer
