RE: Trustee Candidate Interview

BACKGROUND

The Town of Grand Lake has one Trustee vacancy to be filled by appointment. This position is to be held until the next election in April 2026.

I received a letter of interest from Dennis Mills by the set deadline of April 16, 2025, at 4:30pm.

The applicant was verified as a registered elector of the Town of Grand Lake, at least 18 years of age, and has resided in the Town of Grand Lake for a period of at least 12 consecutive months immediately preceding the date of appointment.

The Board is to interview the candidate during the workshop, followed by the appointment at the Board of Trustees evening meeting.
