**WHEREAS**, the Town received a shoreline variance request application (the “Application”) from the Applicant, requesting to place a cantilevered boat slip within the thirty (30) foot water quality setback; and

**WHEREAS**, Section 12-2-29 (A) of the Grand Lake Municipal Code (the “Code”) establishes regulations for allowing activities within the thirty (30) foot water quality setback, also referred to in the Code as the stream and lake setback, including the following consideration factors:

1. The shape, size, topography, slope, soils, vegetation, and other physical characteristics of the property
2. The locations of all bodies of water on the property, including along property boundaries
3. The location and extent of the proposed setback intrusion

5. Sensitivity of the body of water and affected critical habitats
