RE: **Consideration to Approve a New Pontoon Boat for Headwaters Marina**

Background:

The Board of Trustee approved \$50,000 in the 2025 budget for the purchase of a new Pontoon Boat to add to the Town's rental fleet. Staff has negotiated for the best available boat to add to the fleet.

Elevated Marine was able to provide the best possible price for the greatest value boat for the fleet. The purchase buyers order is included in your packet. Delivery and setup is included in the purchase price.

Staff recommends the Board consider the contract for a Bennington 20ft SXSRC pontoon boat.

Suggested Motions:

I move to recommend the mayor sign the contract with Elevated Marine for Bennington 20 SXSRC Pontoon and Yamaha motor

OR:

I move to NOT recommend the mayor sign the contract with Elevated Marine for Bennington 20 SXSRC Pontoon and Yamaha motor
