To: Mayor Kudron and the Grand Lake Board of Trustees  
From: John Crone, Town Manager  
Re: Opting into New Opioid Settlements  
Date: March 27, 2023

### **Background**

The federal government and the various states have entered into a settlement agreement with several pharmaceutical companies over the impacts of opioid abuse. These settlements will eventually provide over \$200,000,000 in funds to the State of Colorado to be used to address opioid addiction problems. Grand Lake is in Region 1 which will receive \$2,085,632.32 over the course of 14 years. The Town of Grand Lake will likely receive less than \$5000 total in the settlement.

This is the second settlement that the State has negotiated. In October of 2021, the Town opted into a similar settlement (with other companies) at the recommendation of our Town Attorney. When the Town opted into the previous settlement, we also entered into a regional agreement wherein we waived our claim to the funds and allowed the money to go to the Region 1 Opioid Abatement Council. This allowed our money to be pooled with other communities in the region to provide a more comprehensive and informed response. This agreement will remain in effect for the new funds.

The settlement agreements will only go into effect if 95% of the local governments in Colorado enter into the agreements. The only practical reason to not enter into the settlements would be if the Town wanted to pursue its own claims against the companies. This is not practical given the relatively small amount of damages that could be proven when compared to the astronomical cost of suing these companies individually.

### **Motion**

If the Board of Trustees desires to approve the opioid settlement agreements, it may do so by approving the following motion.

*I move to instruct the Town Manager to sign the: the Teva Opioid Settlement Participation Form, the Allergan Opioid Settlement Participation Form, the CVS Opioid Settlement Participation Form, the Walgreens Opioid Settlement Participation Form, and the Walmart Opioid Settlement Participation Form.*

7. The Governmental Entity has the right to enforce the Walgreens Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Walgreens Settlement, including without limitation all provisions of Section XI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Walgreens Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Walgreens Settlement shall be a complete bar to any Released Claim.
9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Walgreens Settlement.
10. In connection with the releases provided for in the Walgreens Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Walgreens Settlement.

11. Nothing herein is intended to modify in any way the terms of the Walgreens Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Walgreens Settlement in any respect, the Walgreens Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.
