

MEMO 22-32

TO: Frank Schulte, City Administrator
FROM: James Kowalski, Director of Public Services *J.K.*
DATE: July 14, 2022
SUBJECT: Purchase – Bandit Chipper

In the 2022/23 fiscal year, the Department of Public Works needs to replace the 2005 Morbark Chipper. This piece of equipment is 17 years old and parts are no longer available due to the age. It has become unreliable.

The department recommends to purchase one new Intimidator 18XP Brush Bandit Chipper, which is comparable in size and has a diesel engine. This piece of equipment is crucial to the department in order to continue providing the chipping service to our residents and clean up during storm events.

Bandit Industries, LLC has provided a quote to purchase one new Intimidator 18XP Brush Bandit Chipper through the MiDeal Program for \$78,484.00. The MiDeal Program is a cooperative purchasing program for state and government agencies and the city can take advantage of the government pricing offered.

Therefore, I recommend the purchase of one new Intimidator 18XP Brush Bandit Chipper from Bandit Industries, LLC, 6750 Millbrook Road, Remus, MI 49340 in the amount of \$78,484.00. Funds are included for this purchase in the Fiscal Year 2022/2023 Budget in the Motor Vehicles Capital Equipment – Public Works account No. 640-852-977.599.

If you have any questions concerning this matter please contact me.

I do not believe any benefit will accrue to the City by seeking further bids. Approved for Council consideration.

Frank Schulte, City Administrator
