

CITY OF GROSSE POINTE WOODS DEPARTMENT OF PUBLIC SAFETY

Date: September 14, 2022
To: Susan Como, Assistant City Administrator
From: John G. Kosanke, Director of Public Safety
Subject: **Purchase of Public Safety Patrol Vehicle and Equipment**

I am requesting that the City approve a purchase of one (1) new vehicle as a replacement for a well-used high-mileage vehicle within the department. Our current patrol fleet consists of eight marked vehicles. The department is requesting to purchase one 2023 Ford Police Interceptor Utility AWD vehicle. The same model was purchased in previous years by the department and has worked out well. Ford police vehicles are specifically designed to handle pursuit driving. The vehicle will be purchased through Signature Ford in Owosso at a municipal price with the Macomb County Contract #21-18 bid price. Signature Ford has provided excellent service, quality, and price compared to other quoted vendors from previous purchases.

The included warranty for the new vehicle is 36,000 miles or 36 months factory bumper to bumper and 100,000 miles or 60 months for the powertrain.

In addition to the purchase of vehicle, a vendor has been secured for the vehicle equipment and build-out. The costs include all required equipment and installation. Canfield Equipment in Warren continues to be the chosen vendor for this work due to its workmanship, location, and price.

The graphics for the vehicles will be done by Majik Graphics in Clinton Township, a vendor which provides a lifetime guarantee on their work and has provided excellent service to us in the past.

The list of vendors is as follows:

Signature Ford	Canfield Equipment	Majik Graphics
1960 E. Main St. Owosso, MI 48867	21533 Mound Road Warren, MI 48091	19751 15 Mile Rd. Clinton Twp., MI 48035
1 2023 Interceptor Utility vehicle	Build-Out Equipment	Remove graphics from old vehicle
36,000 miles/ 36-month warranty & 100,000 miles/ 60-month powertrain warranty	Installation	Apply graphics to new vehicle
\$44,100.00	\$11,772.45	\$1,028.00

The new vehicle will be replacing Vehicle 5-5, a 2015 Ford Police Interceptor which no longer runs due to a cracked engine block. This vehicle will be scrapped.

Due to the ongoing pandemic and chip shortage, we estimate a long delivery time for the new vehicle and have been advised by the vendors to order as soon as possible to lock in the prices which continue to rise due to increased costs for labor and materials.

The purchase of the new vehicle is a budgeted item in the 2022/2023 fiscal year in the Vehicle Maintenance – Public Safety fund (640-852-977.349) in the amount of \$50,000.00. The cost of the new vehicle has gone up significantly since our purchase of the same model last year so the amount we are requesting is \$6,900.45 over the budgeted amount.

I am requesting a budget amendment from the General Funds balance account, 101-000-699.000, Transfer from Prior Year Reserves, into the Vehicle Maintenance – Public Safety Vehicle Fund, 640-852-977.349, to cover the difference of \$6,900.45.

Recommend Approval of the above stated purchase in the amount of **\$56,900.45** as submitted. I do not believe any further benefit will accrue to the city to seek further competitive bids.
