ARTICLE XVII - MOBILE FOOD VENDING

Sec. 10-640 - Definitions.

The following words, terms and phrases, when used in this Article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning.

Mobile Food Vending means vending, serving, or offering for sale food and/or beverages from a mobile food vending unit, which may include the ancillary sales of other items consistent with the food provided, such as a tee shirt that bears the name of the organization engaged in mobile food vending.

Mobile Food Vending Unit means any motorized or non-motorized vehicle, trailer, cart, or other similar device designed to be portable and not permanently attached to the ground from which food is vended, served, or offered for sale. This definition does not apply to vehicles which dispense food or beverages that move from place to place and are stationary in the same location for no more than 15 minutes at a time, such as ice cream trucks.

Operate means all activities associated with the conduct of business, including set up and take down and/or actual hours where the mobile food vending unit is open for business.

Vendor shall mean any individual or group of individuals engaged in the business of mobile food vending. If more than one individual is operating a single stand, cart or other means of conveyance, then vendor shall mean all individuals operating such single stand, cart or other means of conveyance.

Sec. 10-641 - Permit Required.

It shall be unlawful for any person to operate a mobile food vending unit in the City without first obtaining a permit as provided in this Article.

Sec. 10-642 - Application.

A person desiring to operate a mobile food vending unit shall make written application for a permit to the City Clerk. Mobile food vending shall only be permitted at a special event, such as a store opening, fair, school function, community sports event, block party, or other similar type of event. A permit shall not be necessary for a City sponsored special event. A mobile food vending unit may be permitted at a private party so long as the mobile food vending unit is wholly situated within the owner's private property, and not within any public street, right-of-way or public place. The application for a permit shall be on forms provided by the City Clerk, and shall include the following:

- (1) Name, signature, business address, telephone number, and email contact information of the applicant.
- (2) Information on the mobile food vending unit, to include a copy of the current vehicle registration and dimensions, which shall not exceed thirty-six feet (36') in length or ten feet (10') in width.
- (3) A plan which includes information setting forth the proposed location of operation, dates of operation (rain date, if applicable), hours of operation, plans for power access, water supply and wastewater disposal, and written property use agreements, if applicable.

- (6) At the time of filing the application, a fee as established by resolution to cover the cost of the review and administrative processing, no part of which shall be refundable.
- (7) A signed statement that the licensee shall indemnify and hold harmless the City, its officers, agents, and employees for any claims, damages, or injuries to persons or property which arise out of any activity by the licensee, its employees, or agents carried on under the terms of the license.

Sec. 10-643 - Review of Application and Issuance.

- (1) Upon receipt of an application, the original shall be forwarded to the City Clerk, the Public Safety Department, the Building Department and any other necessary City departments for review as to compliance with all applicable laws and Ordinances.
- (2) If as a result of such review the application is found not to be in compliance with all applicable laws and ordinances, the City Clerk shall endorse on the application disapproval and the reasons for disapproval, and shall notify the applicant that the application is disapproved and that no permit will be issued.
- (3) If as a result of such review the application is satisfactory, the City Clerk shall approve the application. The City Clerk, upon payment of the prescribed fee, shall issue a permit. All such permits shall contain the signature of the City Clerk, and show the name and address of the applicant, a description of the mobile food vending unit, the amount of the fee paid, and the expiration date of the permit.

Sec. 10-644 - Fees.

An applicant for a mobile food vending unit permit shall pay a daily fee as established by resolution of City Council.

Sec. 10-645 - Limitations on Transfer of Permits.

- (1) A permit issued under this Article shall not be transferable from person-to-person, from business-to-business, from vendor-to-vendor, from member/shareholder-to-member/shareholder, or any combination thereof.
- (2) A permit is valid for one mobile food vending unit, and shall not be transferred between mobile food vending units.

Sec. 10-646 - Exceptions.

A permit issued under this Article shall not be required for any school-sponsored mobile food vending unit operating on school property. Restaurants who operate a permanent business physically present in the City are also exempt under this article while mobile vending on their own private property but they shall not subcontract or hire such vendors in an attempt to evade this Article. Mobile food vending that occurs entirely indoors, located inside a building is exempt under this Article. Groups and individuals who are exempt under this Article from permitting must still receive written permission from the City and Wayne County before operating on public property.

Sec. 10-647 - Locations.

- (1) Appropriate locations for mobile food vending units shall be limited to private property with a written agreement signed by the property owner. The use of public areas, including on-street parking, parking lots or parks, is prohibited without written permission from the City without exception.
- (2) The issuance of a mobile food vending unit permit does not grant or entitle the vendor to the exclusive use of any service route or space.

Sec. 10-648 - Hours of Operation.

- (1) Mobile food vending units shall be permitted to operate between 9am and 9pm unless for a private party.
- (2) A mobile food vending unit shall not be parked overnight on public or private property, or left unattended and unsecured at any time food is in the vehicle or at the location. Any mobile food vehicle unit found to be unattended shall be considered a public safety hazard and may be ticketed and impounded.
- (3) Mobile food vending units shall be permitted to operate on private property **during** the commercial hours of operation of the primary use business and shall not operate as an accessory use before or after the primary use business is open for business. The private property owner may dictate mobile vending operations less than their business hours.

Sec. 10-649 - Regulations.

- (1) Customers of mobile food vending units shall be provided with single service articles such as plastic utensils and paper plates.
- (2) All mobile food vending units shall provide a waste container for public use which the vendor shall empty at its own expense. All on-site trash and garbage originating from the operation of mobile food vending units shall

be collected and disposed of off-site by the operators each day, and in such a manner so as to not allow overflowing containers during the course of operations. Spills of food or food by-products shall be cleaned up, and no dumping of gray water is permitted.

- (3) No mobile food vending unit shall make or cause to be made any unreasonable or excessive noise. The operation of all mobile food vehicles shall meet the City noise ordinance, including generators. - (4) Signage is permitted when placed on mobile food units, so long as it does **not** extend above or beyond the mobile vending unit itself. One free-standing temporary sign of no more than six square feet (6') is permitted but the signage must be located entirely within twenty feet (20') of the mobile vending unit. The vendor must otherwise follow the City's sign ordinance, including sandwich board signs.
- (5) No flashing or blinking lights, or strobe lights, are allowed on mobile food vending units or related signage at any time, unless part of an approved Special Events Application. All exterior lights with over sixty (60) watts shall contain opaque hood shields to direct the illumination downward.

- (7) Any power required for the mobile food vending unit shall be self-contained, and a mobile food vending unit shall not use utilities drawn from the public right-of-way. Mobile food vending units on private property may use electrical power drawn from the property being occupied or an adjacent property, but only if the property owner provides written consent to do so. No power cable or equipment shall be extended at or across any City street, alley, or sidewalk.
- (8) The vendor shall make the mobile food vending unit permit available for inspection by any member of law enforcement or to the Mayor or City Clerk at any time the vendor is operating.
- (9) The vendor shall follow all local, state and federal laws, rules and regulations in their operation of the mobile vending unit. A permit obtained under this Article shall not relieve the vendor of the responsibility of

obtaining any other permit or authorization required by other ordinance, statute or administrative rule.

- (10) The vendor shall not represent the granting of a permit under this article to be in any way an endorsement by the City.
- (11) All permits and licenses shall be prominently displayed on the mobile food vending unit.

Sec. 10-650 - Revocation.

- (1) Permits issued under the provisions of this Article may be revoked by the Mayor after notice and hearing, by a preponderance of the evidence for **any** of the following causes:

Sec. 10-651 - Appeals.

Any person aggrieved by the action of the Mayor, City Clerk, law enforcement or **health** safety officer in the denial of an application for a mobile vending permit, or in the decision with reference to the revocation or suspension of a permit as provided in this article shall have the right of appeal to the City Council. Such appeal shall be taken by filing with the Council, within 14 days after notice of the action complained of has been mailed to such person's last known address, a written statement setting forth fully the grounds for the appeal. The City Council shall set a time and place for a hearing on such appeal, and a notice of such hearing shall be given the appellant in the same manner as provided for notice of a hearing on revocation. The decision and order of the City Council on such appeal shall be final and conclusive.
