

MEMO 26-18

RECEIVED

JUL 17 2026

CITY OF GROSSE POINTE WOODS
CLERK'S DEPARTMENT

TO: Susan Como, City Manager

FROM: Matthew Crook, Assistant Director of Public Services *MC*

DATE: July 17, 2026

SUBJECT: Purchase – Dump Body for Pickup Truck

The Department of Public Works currently has a 2016 GMC 3500 with a dump body that has reached its useful service life due to significant corrosion. Rust has created multiple holes making it incapable of safely transporting materials.

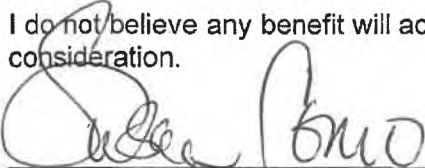

After evaluating the condition of the truck, it has been determined that the chassis and engine remain in good mechanical condition and have many years of useful life remaining. The Department recommend replacing the current dump body with a new 11-foot stainless steel dump body. The investment of the new dump body will restore the vehicles full operational capabilities while extending its service life.

ITU, Inc. has provided a quote to purchase one new dump body through the MiDeal Program for \$25,056.00. The MiDeal Program is a cooperative purchasing program for state and government agencies and the city can take advantage of the government pricing offered.

Therefore, I recommend the purchase of one dump body from ITU, Inc., PO Box 616, Oakland, IA 51560 in the amount of \$25,056.00. Funds are available for this purchase in the Fiscal Year 2026/2027 Budget in the Motor Vehicles Capital Equipment – DPW account No. 661-901-977.200.

If you have any questions concerning this matter please contact me.

I do not believe any benefit will accrue to the City by seeking further bids. Approved for Council consideration.

Susan Como, City Manager
