

**CITY OF GROSSE POINTE WOODS**

**BUILDING DEPARTMENT**

**MEMORANDUM**

**TO: Sue Como, City Manager**

**FROM: Jeremy Collins, Building Official**

**DATE: January 23<sup>rd</sup>, 2026**

**SUBJECT: Modifications to AT&T Equipment at 20025 Mack Plaza Dr.**

---

The Building Department has received and reviewed the construction drawings associated with the AT&T equipment modifications located at 20025 Mack Plaza Dr.

There are no structural changes proposed to the existing tower. Six (6) existing antennas will be removed and replaced with five (5) new antennas, four (4) other existing antennas will remain, reducing the total number of antennas from ten (10) to nine (9).

The remote radio units (RRU) will be reduced from fifteen (15) to nine (9).

Upon approval of the lease agreement amendment between the City of Grosse Pointe Woods and AT&T, and once any associated permit fees are paid, the permit for the equipment modifications will be issued.
