The Fall planting program has been delayed while the City waits for one more bid. Andrews reported that Little League representatives attended the Recreation Commission meeting last month and requested the removal 40 trees from Ghesquire Park. This is in addition to the 66 trees that need to be removed from the groves at City Hall. We will invite DPW representatives to our next meeting to discuss these pressing issues.

We will be ordering 300 White Spruce trees for the Arbor Day School program. P. Lechner will invoice the City when he receives the bill. Gaskin moved that we order the tree plugs as discussed. Galbo seconded the motion.

The Urban and Community Forestry Program grant request was written and filed thanks to a great effort from all involved.

Our Commission has two vacancies. We hope to receive biographical sketches from two candidates soon to fill those.

Andrews moved that we request that City Council pay for three Memorial Trees to honor our recently deceased members. Gaskin seconded.

All should think about the Poster Contest theme for 2024 . We will discuss how to use potential grant at the December meeting.
