To: City Administrator Frank Schulte *F.S.*

From: John G. Kosanke, Director of Public Safety

Subject: Lucas Device-Anonymous Donation

I have been contacted by an anonymous donor who wishes to gift a Lucas Device to our department. The Lucas Device uses automated high quality chest compressions for CPR which increases the chance of good patient outcomes. Public Safety Officers respond to all medical calls including CPR's.

This donation will benefit our officers and the community.

I am requesting council acknowledge and approve of the donation.
