## Project eligibility

Does the proposed project represent a major, nonrecurring expense? YES ☒ NO ☐

Will the proposed project result in a fixed asset (e.g., land, major equipment, building or other structure, road or trail) with an anticipated life of at least two years? YES ☐ NO ☒

Will the project provide broad community benefit? YES ☒ NO ☐

*If you were able to answer YES to all three questions, please provide the following additional information:*

1. Project title (Suggested heading in CIP): 2025 Department Wide Firefighter 1 Training
2. Project description and benefit. Describe the project in half a page or less, including specific features, stages of construction, etc. Explain how the project will benefit the Gustavus community.

The goal of the project is to provide a firefighter 1 (FF1) course for the Gustavus Volunteer Fire Department responders. Firefighter 1 training is an entry-level certification program that prepares individuals for basic firefighting duties. It covers essential skills such as:

1. **Fire Suppression:** Techniques for safely fighting structural, wildland, and vehicle fires.
2. **Rescue Operations:** Basics of search and rescue, including victim removal and emergency evacuation.
3. **Ladder and Hose Operations:** Proper use of ladders, hose lines, and nozzle operations.
4. **Personal Protective Equipment (PPE):** Training on the use of firefighting gear (helmets, turnout gear, breathing apparatus).
5. **Fire Safety:** Understanding fire behavior, safety protocols, and preventing accidents.
6. **Hazardous Materials Awareness:** Basic knowledge of handling and identifying hazardous materials.
7. **Medical Skills:** Basic first aid, CPR, and trauma care.
8. **Communication:** Radio procedures and teamwork within the fire service.

The goal is to equip our responders with the foundational skills and knowledge needed to work effectively and safely in firefighting environments.

To achieve this goal, we first need to start with online classwork. The FF1 class is approximately 545 hours long, including the skills portion. The online work would be self-study, online lectures, and written testing. The classwork needs to be finished before the skills portion of the class.

The next portion of the class would be approximately two weeks of skills practice and testing in Fairbanks, AK. The stay in Fairbanks would require either an Airbnb, a series of dorms, or a hotel stay for the two weeks needed to attend the skills portion of the class. The trip would require us to bring our fire gear, excluding our SCBAs, to Fairbanks.

Providing the funding for six responders to attend a Firefighter 1 class would be an excellent opportunity for the Gustavus community to enhance the safety of the Gustavus Volunteer Fire Department.
