this grant, in whole or in part, when it is in the Government's interest. Allowable costs obligated and/or incurred through the date of termination shall be reimbursed. Any equipment purchased under a terminated grant may revert to DHS&EM at the option of DHS&EM.

(U) Project Implementation: Due to the competitiveness of the 2022 State and Local Cybersecurity Grant Program, approved projects must be ready-to-go. Project implementation shall begin within the first reporting quarter.

1. If a project cannot be operational within the first reporting quarter of the approved award date, the subrecipient should notify DHS&EM of the implementation delay and expected starting date. At the discretion of DHS&EM, the grant award is subject to cancellation, and funds may be de-obligated and reallocated to other projects if project implementation is unjustifiably delayed.

(V) The City of Gustavus shall comply with the requirements and restrictions of the Federal Fiscal Year (FFY) 2022 State and Local Cybersecurity Grant Program (SLCGP) Guidance, State Overview and Guidelines, State Preparedness Report, and the State Homeland Security Strategy. By signing this obligating award document, the City of Gustavus certifies it has read, understood, and accepted these documents as binding.
