

Marine Facilities Coordinator Quarterly Report

8/6/2025

Here's what's happening.

Things accomplished this quarter.

- *Fix and replace dock safety buoy.*
- *All dock bolts and safety features are secured and intact, monthly check.*
- *A new safety ladder needs another tether line added as one has broken.*
- *A new trash receptacle was installed near the dog bag station at the beach. It is being used frequently.*
- *Trash receptacle lids have been lubricated.*
- *The beach wheelbarrow was regreased.*
- *The second of two benches is completed; it has been moved to the Salmon River Park area.*
- *Garbage and beach cleaning continue as a daily task.*
- *Access for honey buckets proved to be impractical. The no honey bucket sign was taken down; there does not seem have been any negative incidents.*
- *Clean up and weed whacking of harbor has started.*

Things that will be accomplished in the current quarter

- *Paint the float dock numbers, paint the ramp area.*
- *Deep clean all restrooms, done on the 1st and 15th of month*
- *Install a new picnic table after completion, coordinate with school for ETA*
- *Make new signs where necessary*
- *Major clean up in harbor area still in progress.*
- *Draft proposal to fix the harbor float*
- *Check in with sport fishing operators, regarding expectations on the docks, on going.*
- *Create a harbor improvement group to provide input on the harbor facility.*

There may be things I have not recorded here that will be present in the next quarterly report.

Report completed by Kenn Magowan 6 August 2025

Thank you.
