The item before you is a renewal of our BEER and WINE license, which we have had running concurrently for the past 25 years. We sell fine wines and a limited selection of beer to our visiting guests in our establishment, The Excursion Restaurant, LLC, and are not running a bar type business. We have all required material posted for our establishment in accordance with the Alaska Liquor Commission's ordinances, and are very firm and vigilant to not serve any alcohol to minors. We include the 3% sales tax on all beer and wine purchases which is paid quarterly to the City of Gustavus. The Bear Track Inn/Excursion Restaurant contributes a considerable amount of income to the City Of Gustavus with both Room Tax and Sales Tax. A renewal of our Liquor License is greatly appreciated.

Yours Respectfully
