

Gustavus Vol. Fire Department

Quarter 2 Highlights

Submitted by Vice Mayor Vanderzanden

07-19-2021

Not much information has been available for these three months. April had 4 EMS calls; June had 10.

No one was able to find any information on the month of May. There were no fire calls in second quarter.

Jeff Jarvis is currently acting interim fire chief. EMS responders are handling 911 call with Lisa's help when needed which is often. There is currently a need for more dispatchers. Volunteers are trying to get caught up on a backlog of incident reporting.

The city is currently advertising for the fire chief position as well as an interim fire chief. Both positions will have an emphasis on EMS.

Lisa has scheduled Sept. 18-19 for visiting instructors to bring EMS responders current on their certifications.
