# Form AB-02: Premises Diagram

### Why is this form needed?

A detailed diagram of the proposed licensed premises is required for all alcohol license applications, per AS 04.11.260, 3 AAC 305.630 and 3 AAC 305.660. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing.

**This form must be completed and submitted to AMCO's Anchorage office before any license application will be considered complete. You may attach blueprints or other detailed drawings that meet the requirements of this form.**

### The diagram MUST include:

- You must use a **solid, contiguous red line** to outline the outer perimeter of your premises with no breaks or separations.
  - The red outline is required to follow a physical barrier (wall, fence and even across doorways).
  - There should be no red lines within the perimeter
- Each area should be clearly labeled in any color other than red where alcohol is:
  - Stored
  - Served/Sold
  - Manufactured
  - Consumed
- All diagrams must include:
  - Dimensions (AMCO does not accept diagrams drawn to scale)
  - Cross streets
  - Points of reference, such as a compass rose indicating True North
  - All entrances, exits, walls, bars, and fixtures
- If your premises include multiple floors, please include a separate diagram of each floor.
  - You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your premises includes multiple floors, please include a separate diagram of each floor. You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.
- **Any license applications that include outdoor space** are required to submit a security plan that includes information about the barriers, practices, and personnel that are to be used to ensure that alcohol is not introduced or removed from the permitted premises and to prevent the access of alcohol by a minor during the permitted event. A security plan may be requested for other proposed locations on a case-by-case basis.

## Security Plan

For

Gustavus Holdings, LLC DBA Red Rooster

For purpose of this security plan. The term "*Premises*" means the area designated for alcohol service and/or consumption on the diagram provided with this application, which area is outlined in red thereon.

1. All minors on the premises must be accompanied by an adult over the age of 21 when any alcohol is being served/sold/consumed on the premises. Proper signage at points of entry indicating no minors without a parent or legal guardian over the age of 21 will be posted.
2. All patrons will be carded to verify they are at least 21 years old before they are permitted to purchase or consume alcohol on the Premises. The owner and all staff will be trained in the identification of fake IDs.
3. The owner and/or trained staff will be present at all times to monitor the consumption of alcohol on the Premises and to ensure compliance with all rules. Underage persons in particular will be monitored closely by our trained staff to ensure that only those patrons who are over the age of 21 and have been carded purchase and/or consume alcoholic beverages.
4. Alcohol will only be sold at the areas designated for counter service on the attached diagram.
5. Alcohol will only be consumed in the areas designed for outdoor consumption and indoor consumption on the attached diagram. Patrons will not be permitted to take alcohol from the outdoor consumption area or the indoor consumption area of the premises to any other area.
6. The outdoor consumption area is demarcated by the following barrier/boundaries:
  - The southern boundary is a 4-foot-tall wooden fence, as shown on the attached diagram.
  - The eastern boundary is a 6-foot-tall wooden fence and a 4-foot-tall gate, all as shown on the attached diagram.

- The northern boundary is the exterior southern wall of the building itself, all as shown on the attached diagram.
  - The western boundary is an 8-foot-tall root cellar and a 4-foot-tall fence attached thereto, all as shown on the attached diagram.
7. The area identified as a “monitored access point” on the attached diagram ( see the middle of the western boundary of the Premises, between the 4 foot fence demarcating the western boundary of the outdoor consumption area and the exterior southern wall of the indoor consumption area) will be monitored by trained staff to ensure (i) alcohol is not carried through this access point and (ii) all minors passing into the Premises via the access point are accompanied by an adult over the age of 21.
  8. Proper egress from Premises (including the areas for outdoor and indoor consumption) will always remain unobstructed per life and safety guidelines and applicable law.
  9. AMCO mandated posters and any others required by applicable law will be posted within the Premises and at the entrances and exits of the indoor consumption area and the outdoor consumption area, as applicable.
  10. All entrances to, and exits from, the outdoor consumption area and indoor consumption area will provide clear signage that NO ALCOHOL IS ALLOWED BEYOND DESIGNATED ALCOHOL CONSUMPTION AREAS (or such other language as AMCO requests be used on such signage). Our trained staff will monitor the outdoor consumption area, the indoor consumption area and the areas on the property outside the Premises to ensure that patrons understand and abide by this rule. Patrons will not be permitted to take alcohol from the outdoor consumption area, except to the indoor consumption area, and vice versa.
  11. The Alcohol Storage Room is only accessible through the kitchen as shown on the attached diagram. This lockable room is accessible only by staff and under 24/7 video surveillance. Under no circumstances will the Alcohol Storage Room be accessible by any patron or other member of the public regardless of age. The transport of alcohol from the Alcohol Storage Room to the counter service area will be done by the manager and/or trained staff only.
  12. The safety of all patrons and ensuring the outdoor and indoor consumption areas are functional without any increased risk to minors with respect to alcohol access or exposure, will ALWAYS be top priorities for Red Rooster and an integral part of our training regime for our staff.
