AGENDA ITEM TOPIC: Auction of John Deere 1545 cabover mower.

Number of Supporting Documents: **01**

Requested Action

- Motion to approve the auction of a 2011 John Deere 1545 cabover mower.

Background

We received Board approval in June to purchase a replacement mower for the 2011 John Deere 1545 mower and trade it in as part of the purchase agreement. However, a week or two later, the 1545 mower slid off an embankment on the Lakeland Trail, which ultimately damaged the engine due to water damage. After the mishap, the John Deere dealer would only give us \$1,500 for the trade-in because the engine had to be replaced. Instead, we decided to make an insurance claim and received a check for \$8,609.44 last week. I now request permission to auction the 1545 and all of its attachments on Mi Bid as we do with all our vehicles when it's time for disposal.
