Fiscal Year 2024-25 Annual Budget  
History of Taxable Values**

Property Taxes:

Property taxes are expressed in terms of millage with one mill being equal to \$1.00 per thousand dollars of taxable value. Assessing records maintain two values for each property in the Township. Prior to Proposal A, all property was taxed based on the State Equalized Value (S.E.V.), which represents 50% of the true cash value. Proposal A limits the increase in value attributed to market changes to the lesser of 5% or the Inflation Rate Multiplier (previously referred to as Consumer Price Index). The one exception refers to properties that change ownership, which brings the taxable value equal to the S.E.V.

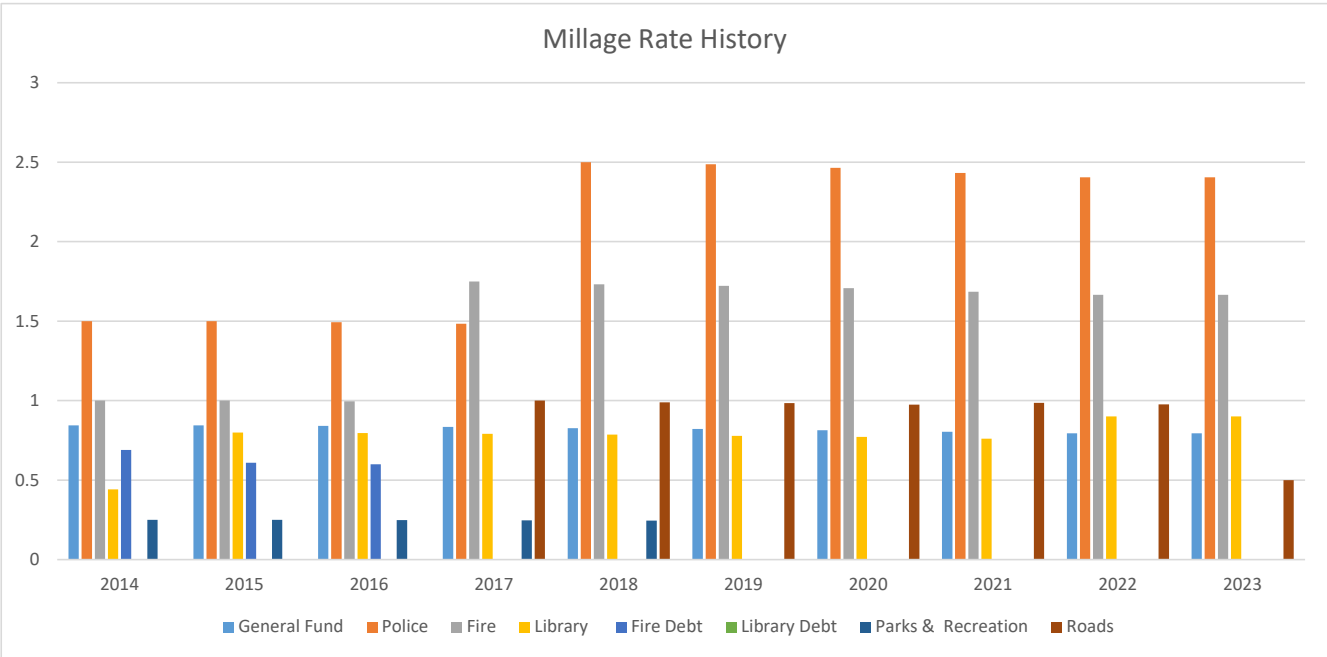

The following shows the history of taxable values of prior years.

<b>Tax Year</b>	<b>Taxable Value</b>
