AGENDA ITEM TOPIC: New Sewage Pump for Hamburg Pump Station

Number of Supporting Documents: **02**

Requested Action

- Approve the quote from Kennedy Industries to order and install a new 17 horsepower Flygt pump for the Hamburg pump station. The total amount is \$36,298.00

Background

One of the pumps has failed at the Hamburg Pump Station and it will cost over \$19,000 to repair it. Since it is sixteen years old and will take eight weeks to repair, we think it's more prudent to replace the old pump rather than fix it.

Fiscal Considerations
