Requested Board Action

- Motion to approve the hiring of Bio-Care, Inc. of Holt, MI to perform annual Firefighter physicals, as outlined in their attached quote, at Fire Station 12 for a price of \$14,605.00.

Background Information

The department has been proactive for the past 4 years in providing annual National Fire Protection Agency (NFPA) compliant physicals to all its fire staff. Not only do these physicals provide documentation of being fit for duty but also test for all forms of pre-cancerous cells. As most are aware, cancer is a concern in the fire service as members are inevitably exposed to cancer causing carcinogens when working in immediately dangerous to life and health (IDLH) environments such as structure fires and hazardous material incidents.

These annual physicals have been conducted on site for the last 3 years by Bio-Care, Inc. at Station 12 in a professional and efficient manner and it is my recommendation that the department continue utilizing Bio-Care, Inc. for this year's physicals. Preliminary examination dates of December 3, 2023 and December 4, 2023 have been reserved by Bio-Care, Inc. for our department pending Township Board approval.

Budget Impact

The cost for this project has been included in the adopted FY 23/24 budget.

Respectfully,

Chief Richard Duffany
Director of Public Safety
