**TO:** Hamburg Township Board of Trustees

**FROM:** Pat Hohl

**DATE:** September 29, 2022

**AGENDA ITEM TOPIC:** Cell Tower Lease

Number of Supporting Documents: **1**

---

American Tower has requested an extension and amendment to their April 4, 1991 lease for their cell tower #81345 near Fire Station 11. I request that the Board of Trustees appoint myself, Thelma Kubitskey and at least one other elected official to review the proposed lease and bring back to the Board a DRAFT lease for Board Review. If formed, this committee will be consulting with Beth Saarela as it develops the DRAFT for Board consideration.
